Western culture no longer has a broad Christian understanding In fact much of what American media dishes out is pantheistic or anti religious Sociological research indicates that a multitude of beliefs have crept into Christian understandings of faith This situation is not new As early as the fifteenth century Erasmus asserted that the greatest concern of his time was that Christians were most often rank heathens when it came to their orthodoxy It is also apparent that attendance at Sunday school Vacation Bible School and other gatherings has fallen at a great rate The author believes providing Christian education in the context of worship is therefore the best opportunity for reaching believers with historical elements of faith A twenty four part lectionary based catechetical curriculum is provided for worship With it congregations can dwell in a sermon series that is surrounded by supportive full bodied worship Nelson's Annual Youth Ministry Sourcebook Thomas Nelson Publishers, 2007-09-18 Each weekly session in the Sourcebook includes age appropriate Bible discovery activities songs and memory verses for younger and older teens Lessons conclude with a general life application and a personal application and throughout the book are articles to help and encourage volunteer and professional youth ministers The American Indian and Alaska Native Student's Guide to College Success D.
