Clinical Management of Mother and Newborn G. F. Marx, 2012-12-06 The birth of a baby is the culmination of months of anticipation and planning Most often mother and infant are healthy and readily able to establish close contact a bond However in some situations either mother or baby or both present complications The more prompt and rational the treatment the sooner the normal parent infant relationship will commence This book is devoted exclusively to the first days following birth In its 15 chapters postpartum and postnatal physiology and pathophysiology are reviewed by 18 specialists Normal and abnormal development of mother and child is correlated with proven means of clinical management Chapters 1 through 3 cover maternal postpartum developments and complications Chapter 4 stresses the importance of a normal parent newborn relationship a concept of increasing concern in modern society The following ten chapters discuss neonatal physiology and pathophysiology the effects of obstetric anesthesia on infant behavior pulmonary function measurements in the postnatal period and treatment of the sick newborn

are discussed in detail The final chapter reviews maternal and perinatal mortality the data based on extensive surveys in New York City indicate that current management is effecting an overall decline in mortality

### **The Science of Premonitions**

Larry Dossey,2010-05-04 Larry Dossey is one of America s most important thinkers When he talks I listen Marianne Williamson author of A Return to Love In his New York Times bestseller Healing Words Dr Dossey investigated why patients surrounded by prayer healed faster and more completely than patients who were not Now in The Science of Premonitions Dossey uses cutting edge science to make a convincing case that premonitions are real common and helpful Then Dossey explores research on mindfulness and meditation to show readers how they can cultivate and take advantage of premonitions Packed with compelling case studies and thought provoking findings this is a book for the skeptical mind and the believer s heart and will be greeted warmly by as Deepak Chopra said anyone who is interested in knowing about the deeper meaning of our existence Deepak Chopra M D
