Guardians of the Goal George Grimm,2019-10-01 A history of Rangers goalies through the ages New York Rangers fans have always loved their goaltenders and throughout their history the Blueshirts have been blessed with some of the very best in the game Through the first nine plus decades of their existence eighty eight men from Canada the United States and Europe have toiled between the pipes at Madison Square Garden They all shared the same responsibility yet each brought their own style personality character and idiosyncrasies to the position and provided unique memories for those of us who watched them In Guardians of the Goal each one of these brave men is discussed in chronological order while providing an overview of their era and the general managers and coaches they played for Such players highlighted in this book include Mike Richter Ed Giacomin John Vanbiesbrouck Henrik Lundqvist Davey Kerr And many more Regardless of whether they were a franchise goalie a flash in the pan or an emergency fill in each of these Lone Rangers or as Steve Baker once called them The few the proud and the very busy have one thing in common they all tried their best to keep that little one inch by three inch piece of frozen vulcanized rubber out of the gaping twenty four square foot chasm behind them Some were more successful than others but as you will see although they may occasionally steal a game in most cases a goaltender is only as good as the team in front of him Guardians of the Goal is just that an ode to those Blueshirts who laid it out night in and night out leaving it all out on the ice for our Rangers

The California Golden Seals Steve Currier,2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey's traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game The California Golden Seals examines the franchise's mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a season by season narrative Currier brings to life the Seals history with lighthearted anecdotes personal interviews and statistics about hockey's most infamous losing team

Paper Trails Roy MacGregor,2023-08-01 One of Canada's greatest journalists shares a half century of the stories behind the stories From his vantage point harnessed to a tree overlooking the town of Huntsville he tended to wander a very young Roy MacGregor got in the habit of watching people what they did who they talked to where they went He has been getting to know his fellow Canadians and telling us all about them ever since From his early days in the pages of Maclean's to stints at the Toronto Star Ottawa Citizen National Post and most famously from his perch on page two of the Globe and Mail MacGregor was one of the country's must read journalists While news media were leaning increasingly right or left he always leaned north his curiosity trained by the deep woods and cold lakes of Algonquin Park to share stories from Canada's farthest reaches even as he worked in the newsrooms
