The Blindfolded Church Barry L Nehls,2021-09-30 Some are blind from birth while others like Helen Keller are blinded by illness Still others lose sight through accidents or progressive disease I submit no one would choose to go through life without sight And yet the church today is certainly blindfolded I do not believe the blindness of the church happened suddenly There have been brilliant moves of God in the church since the Lord s ascension However it has been a slow methodical process whereby a blindfold has slipped over the eyes of discernment and the church chooses to remain in the dark Why would anyone choose to remain blind Think of it this way A child born blind cannot describe the experience of seeing a beautiful rose the glow of a sunset the majesty of snowcapped mountains or a crashing waterfall There is no desire for sight having never experienced the sensation For those that see we would never choose to be blind and remain so A blindfold suggests that something has willfully been placed over the eyes to prevent sight The enemy has not only pulled the blindfold over the spiritual eyes of the church but deceived her into thinking she can still see Jesus Christ was sent to heal the brokenhearted preach deliverance to the captives and recover sight to the blind May we the church of the living God remove the blindfold and once again charge forth with the gospel to a lost and dying world

A Senior's Guide to the Samsung Galaxy Z Flip3 Scott La Counte,2020-11 Don t Flip Out Learning the Z Flip3 If you have been using a cell phone long enough you probably remember the days of flip phones that slipped into your pocket They were small practical and they were used to actually call people Then smartphones came along and suddenly calling people didn t matter you could surf the Internet take pictures text check social media and so much more Long as we ve come we seem to be back to square one the flip phone has officially made a comeback The Samsung Galaxy Z Flip3 is truly a work of innovation that brings the portability that we loved about older phones with the power that we can t live without The fortunate thing about the Galaxy Z Flip is the software isn t that unlike other Samsung devices or even Android devices so if you ve used an Android device in the past you ll get the hang of it pretty quick This guide will help new and old users alike learn how to take advantage of all the best features on the Galaxy Z Flip3 These features include Setting up your phone Using the foldable screen Making calls
