Neem A Tree For Solving Global Problems:

Neem National Research Council, Board on Science and Technology for International Development, 1992-02-01 The neem tree one of the most promising of all plants may eventually benefit every person on the planet Probably no other plant yields as many varied products or has as many exploitable by products Indeed as foreseen by some scientists this tree may usher in a new era in pest control provide millions with inexpensive medicines cut the rate of population growth and perhaps even reduce erosion deforestation and the excessive temperature of an overheated globe On the other hand although the enthusiasm may be justified it is largely founded on exploratory investigations and empirical and anecdotal evidence The purpose of this book is to marshal the various facts about this little known species to help illuminate its future promise and to speed realization of its potential **Neem** National Research Council Staff, 1992 Neem : a tree for solving global problems Board on Science and Technology for International Development National Research Council, 1992 **Neem**

National Research Council, 2002-06 Neem is a fascinating tree On the one hand it seems to be one of the most promising of all plants and may eventually benefit every person on the planet Probably no other yields as many strange and varied products or has as many exploitable by products Indeed as foreseen by some scientists this plant may usher in a new era in pest control provide millions with inexpensive medicines cut down the rate of human population growth and perhaps even reduce erosion deforestation and the excessive temperature of an overheated globe On the other hand that all remains only a vague promise Although the enthusiasm may be justified it is largely founded on empirical or anecdotal evidence Our purpose here is to marshal the various facts about this little known species to help illuminate its future promise and to speed realization of its potential This report has been produced by the National Research Council particularly for nonspecialists such as government ministers research directors university students private voluntary organizations and entrepreneurs It is intended as an economic development document not a scientific monograph **Neem** Report of an Ad Hoc Panel of the Board of Science and Technology for International Development, 1992 **Agroforestry to Combat Global Challenges**
