Relational Apologetics Michael Sherrard, 2012-09 How do you know that there is a God How do you answer someone who says that truth doesn t exist What do you do when someone asks you how you know that

Christianity is the right religion If you are like many people the only answer you can offer is Well I just have faith But to a world that wants to know if God is real this is not a good enough answer Christians must be ready to give a reason a good reason for their hope in Jesus and their lives must be a holy reflection of their message In *Relational Apologetics* Michael C Sherrard seeks to help Christians do just that become holy people that defend Christianity both in word and deed Using stories and drawing upon personal experiences Sherrard teaches the importance of personal holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic's questions In the process you'll learn that defending Christianity is as much about who you are and what you do as it is what you say And you will find that your life is intended to be an apologetic for God and a light for men to find Him *Without a Doubt* Kenneth Richard Samples, 2004-07 *Without a Doubt* provides answers to tough questions about Christianity that assure the heart and satisfy the mind of Christian seeker and skeptic alike *Bringing Good Even Out of Evil* B. Kyle Keltz, 2022-11-01 The question of whether the existence of evil in the world is compatible with the existence of an all knowing all powerful all good God has been debated for centuries Many have addressed classical arguments from evil and while recent scholarship in analytic philosophy of religion has produced newer formulations of the problem most of these newer formulations rely on a conception of God that is not held by all theists In *Bringing Good Even Out of Evil* Thomism and the Problem of Evil B Kyle Keltz defends classical theism against contemporary problems of evil through the philosophy of Thomas Aquinas and his interpreters Keltz discusses Aquinas's thought on God evil and what kind of world God would make then turns to contemporary problems of evil and shows how they miss the mark when it comes to classical theism Some of the newer formulations that the book considers include James Sterba's argument from the Pauline principle J L Schellenberg's divine hiddenness argument Stephen Law's evil god challenge and Nick Trakakis's anti theodicy *Think About Such Things: A Compilation* Dr. Shi-Brone (Jake) Jacobs, 2016-12-28 Dr Jacobs book is a guide for how to understand various Bible based thematic works The book does not suggest why or what to think but focuses on how to think It also provides various methods by which to glean value from perspectives that differ or disagree with traditionally high views of scripture Artistic cover by Summer Jacobs *Understanding the Times* Jeff Myers, David A. Noebel, 2015-09-01 Your view of God determines your view of the world You hold in your hands a landmark guide to understanding the ideas and forces shaping our times *Understanding the Times* offers a fascinating comprehensive look at the how the tenets of the Christian worldview compares with the five major competing worldviews of our day Islam Secular Humanism Marxism New Age and Postmodernism *Understanding the Times* is a systematic way to understand the ideas that rule our world While the material is expansive the engaging easy to understand writing style invites you to discover the truths of God and our world This classic should be on the shelf of every Christian home on the desk of every pastor and in the hands of every Christian student headed off to college *Between One Faith and Another* Peter Kreeft, 2017-07-07 How do we make sense of the world's different religions

In this creative thought experiment Peter Kreeft invites us to encounter dialogues on the major faiths with his characters Thomas Keptic Bea Lever and Professor Fesser Ultimately Kreeft gives us helpful tools for thinking fairly and critically about competing religious beliefs and how they relate to one another Theology and Practice of Mission Bruce Riley Ashford,2011-09-01 Theology disconnected from mission is not Christian theology at all The pastors professors and missionaries writing Theology and Practice of Mission provide a clear biblical theological framework for understanding the church s mission to the nations Toward that goal the book holds three major sections God s mission the church s mission and the church s mission to the nations Part one explores the canon of Christian Scripture from narrative and systematic angles explaining how the mission of God to redeem a people who will be a kingdom of priests to the praise of his glory bear witness to his gospel advance his church and dwell with him forever on a new heaven and earth is communicated in the Bible s four movements Creation Fall Redemption and Restoration Part two sees the mission of God s people in the light of God s mission emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture glorifying God in family church work community through the arts sciences education business and the public square The writers encourage us to live missionally leaving all of our resources at God s disposal for the sake of his kingdom Finally part three contends that the North American church must come to terms with its missional calling just as international missionaries do and gives a starting point and parameters for conceiving the church s mission to all people groups and cultural contexts Chapters here include ones on unreached people groups Muslims Hindus Buddhists and Postmoderns **God's Image and Global Cultures** Kenneth Nehrbass,2016-08-26 Globalization has raised numerous questions about theology and culture for Christians How should we respond to outsourcing and immigration How does anti Western sentiment affect the proclamation of the gospel What is the role of the church in society This book argues that Christians will be most fulfilled and most effective if they embrace their cultural activity rather than feel ambivalent about it The central question of this book is how does bearing God s image relate to cultural activity Nehrbass explains that spheres of culture such as political technological and social structures are systems that God has instilled in humans as his image bearers so that they can glorify and enjoy him forever Therefore a theology of culture involves recognizing that the kingdom of God encompasses heaven and Earth rather than pitting heaven against Earth The text surveys anthropological explanations for humanity s dependence on culture and shows that each explanation provides only partial explanatory scope The most satisfying explanation is that a major functional aspect of bearing God s image is engaging in culture since the Trinity has been eternally engaged in cultural functions like ruling communicating and creating Each chapter contains a summary and questions about what it means to be a world changer in the twenty first century **Bridge-Building Apologetics** Lindsey Medenwaldt,2024-05-14 Winsome Apologetics Makes for Effective Apologetics As Christians when we take a stand for our faith we want to avoid coming across as overly combative or adversarial While it s important to be uncompromising when we communicate the truth Scripture also

calls us to speak the truth with love Bridge Building Apologetics is about establishing caring and compassionate relationships with those whom you desire to reach for Christ In this friendly and helpful resource you will find inspiring examples of relational apologetics from people in the Bible and modern day bridge builders strategies for thoughtful and productive interactions with unbelievers and people of diverse faith backgrounds practical tips for engaging non Christians in relationships and faith centered conversations with real life examples Going beyond merely comparing truth with error this accessible and informative guide shows you how to overcome relational barriers and graciously reach out to those with whom you disagree Even in the face of deep differences these insights and tips will help you will grow in your confidence to engage others effectively with the love of Jesus and the truth of Scripture

The Muslim Majority Robin Hadaway, 2021-09-15 More than 70 percent of Muslims worldwide practice folk Islam a syncretistic mix of theologically orthodox Islam and traditional religious beliefs and practices The Muslim Majority is unlike many published works on evangelism to Muslims which argue for either apologetic or contextualized bridge approaches These approaches are often ineffective in reaching adherents of popular Islam Instead author and missiologist Robin Hadaway outlines a contextual approach that addresses the unique perspective of popular Islam Hadaway explains the differences between folk Islam and orthodox Islam and explores best practices for reaching the vast majority of Muslims with the gospel of Jesus Christ
