Neither Peace Nor Freedom The Cultural Cold War In Latin America

Scheffner, Katharina E.

Neither Peace Nor Freedom The Cultural Cold War In Latin America:

Neither Peace nor Freedom Patrick Iber, 2015-10-13 Patrick Iber tells the story of left wing Latin American artists writers and scholars who worked as diplomats advised rulers opposed dictators and even led nations during the Cold War Ultimately they could not break free from the era's rigid binaries and found little room to promote their social democratic ideals without compromising them Kleinststaaten und sekundäre Akteure im Kalten Krieg Albert Manke, Katerina Brezinová, 2016-12-15 Welche Rolle spielten im Kalten Krieg Akteure die im globalen Machtgefüge eine untergeordnete Stellung einnahmen Inwieweit war es Kleinststaaten und sekundären Akteuren trotz ihrer Abhängigkeit von den Supermächten möglich miteinander Kooperationen einzugehen teils auch über die Schranken ideologischer Lager hinweg Auf der Grundlage empirischer Quellenarbeit zeigen die Beiträge dieses Bandes am Beispiel transnationaler und transkultureller Verflechtungen zwischen staatlichen und nichtstaatlichen Akteuren wie Wirtschaftsunternehmen Solidaritätsgruppen und Kulturschaffenden die Möglichkeiten und Grenzen von Wechselbeziehungen zwischen Europa insbesondere Zentraleuropa und Lateinamerika auf Mit einem Vorwort von Bernd Greiner **Berliner Weltliteraturen** Jutta Müller-Tamm, 2021-08-23 Dieser Band stellt die Intensivierung der kulturpolitischen Aktivitäten und des internationalen literarischen Austausches in und um Berlin in den Jahren unmittelbar nach dem Mauerbau anhand von Fallbeispielen vor Die 12 Beiträge liefern eine verdichtete Beschreibung jener Phase in der Entwicklung Berlins in der die geteilte Stadt mit Blick auf die Internationalisierung des Literatur und Kulturbetriebs eine Vorreiterfunktion bernahm *Geopolitische Imaginarien* Mirko Petersen, 2018-03-15 Welche Verbindungen bestanden zwischen der Sowjetunion und Argentinien in der frühen Phase des Kalten Krieges Mirko Petersen zeigt Zwar waren die konkreten wirtschaftlichen und diplomatischen Beziehungen zwischen den beiden Ländern keineswegs markant aber diskursive Bezugnahmen auf die UdSSR prägten maßgeblich die argentinische Politik unter Juan Perón 1943-55 Diese geopolitischen Imaginarien werden den theoretischen Prämissen von Ernesto Laclau und Chantal Mouffe folgend mittels einer innovativen Diskursanalyse herausgearbeitet Besonders sticht dabei die Dritte Position des Peronismus hervor die eine Alternative zu den Systemen der Supermächte darstellen sollte *History of Technology Volume 34* Ian Inkster, 2019-10-17 Despite having undergone major advances in recent years the history of technology in Latin America is still an understudied topic This is the first English language volume to bring together a variety of critical perspectives on the history of technology in Latin America from the early 19th century through to the present day This special issue assembled by guest editor David Pretel brings together a range of experts to explore a plethora of topics in Latin America's technological history Papers include a study of rural telephony in 20th century Latin America the rise of the Techno class in modern Brazil an analysis of the rise and fall of three Caribbean commodities the history of educational technology in Latin America and science and technology in Cold War Chile Special Issue Technology in Latin American History Edited by David Pretel Colegio de Mexico Mexico and Helge Wendt Max Planck Institute for the History of Science Germany New

Perspectives on the Good Neighbor Policy Ana Maria Mauad, Alexandre Busko Valim, 2023-11-15 The Second World War was a watershed moment in US South American relations Yet the Good Neighbor Policy the driving force behind many of the changes during this time remains underanalyzed especially from a South American perspective Examining topics ranging from literary fashions and trends in the press to science militarism and gender categories *New Perspectives on the Good Neighbor Policy* sheds light on this crucial period in which the US defined geopolitical relations with South America and solidified its hemispheric hegemony Additionally the contributors evaluate the legacy of the Good Neighbor Policy in the twentieth century and its impact on twenty first century politics **Cuba's Revolutionary World** Jonathan C.

Brown, 2017-04-24 As Castro's democratic reform movement veered off course a revolution that seemed to signal the death knell of dictatorship in Latin America brought about its tragic opposite Jonathan C Brown examines in forensic detail how the turmoil that rocked a small Caribbean nation in the 1950s became one of the century's most transformative events

Spatial Orders, Social Forms Adrian Anagnost, 2022-01-01 A fascinating look at modernist urban planning and spatial theories in Brazilian 20th century art and architecture Exploring the intersections among art architecture and urbanism in Brazil from the 1920s through the 1960s Adrian Anagnost shows how modernity was manifested in locally specific spatial forms linked to Brazil's colonial and imperial past Discussing the ways artists and architects understood urban planning as a tool to reorganize the world control human action and remedy social problems Anagnost offers a nuanced account of the seeming conflict between modernist aesthetics and a predominately poor and historically disenfranchised urban public with particular attention to regionalist forms of urban development Organized as a series of case studies of projects such as Flávio de Carvalho's performative urbanism the construction of the Ministry of Education and Public Health building Lina Bo and Pietro Maria Bardi's efforts to modernize Brazilian museums and Hélio Oiticica's interstitial works this study is full of groundbreaking insights into the ways that modernist theories of urbanism shaped the art and architecture of 20th century Brazil **Protest in the Vietnam War Era** Alexander Sedlmaier, 2022-01-15 This book assesses the emergence and

transformation of global protest movements during the Vietnam War era It explores the relationship between protest focused on the war and other emancipatory and revolutionary struggles moving beyond existing scholarship to examine the myriad interlinked protest issues and mobilisations around the globe during the Indochina Wars Bringing together scholars working from a range of geographical historiographical and methodological perspectives the volume offers a new framework for understanding the history of wartime protest The chapters are organised around the social movements from the three main geopolitical regions of the world during the 1960s and early 1970s the core capitalist countries of the so called first world the socialist bloc and the Global South The final section of the book then focuses on international organisations that explicitly sought to bridge and unite solidarity and protest around the world In an era of persistent military conflict the book provides timely contributions to the question of what war does to protest movements and what protest movements do to war „Tell

the West“ - Berichte dem Westen! Jerzy G. Gliksman, 2025-11-17 Der Erfahrungsbericht des jüdisch polnischen Gewerkschaftsanwalts Jerzy Gliksman aus dem Gulag der Jahre 1939-1941 stellt eines der bedeutendsten jüdischen Zeugnisse aus dem sowjetischen Lagersystem dar. Gliksman schildert die Grausamkeit und Absurdität des Gulags. Nach seiner Verhaftung durch das NKWD im März 1940 erlebte Gliksman monatelange Untersuchungshaft und wurde zu fünf Jahren Lagerhaft verurteilt. In Lagern wie Uchta-Ishma in der Republik Komi dokumentierte er die unmenschlichen Bedingungen und die Willkür des sowjetischen Systems. Seine Freilassung 1941 ermöglichte ihm der Welt von den Schrecken zu berichten, die viele nicht erlebt haben. Sein Bericht verweist auch auf das Schicksal der Vorsitzenden des Allgemeinen Jüdischen Arbeiterbundes in Polen und Russland. Victor Alter, Gliksmans Halbbruder, und Henryk Erlich, dem Schwiegersohn von Simon Dubnow. Mit großer erzählerischer Kraft ist *Tell the West* ein unersetzliches Dokument über den sowjetischen Terror und die Unbeugsamkeit des menschlichen Geistes, das in dieser Ausgabe zum ersten Mal auf Deutsch erscheint und mit zwei einführenden Texten neu kontextualisiert wird.

US Public Diplomacy Strategies in Latin America During the Sixties Francisco Rodríguez-Jiménez, Lorenzo Delgado Gómez-Escalonilla, Benedetta Calandra, 2024-01-29 This book seeks to address US public diplomacy strategies in Latin America of particular importance during the 1960s when the leadership of the United States had been questioned after the Cuban Revolution. The implicit mandate was: No more Cubas so that what happened in the Caribbean country would not spread to other countries. The actions of the United States toward its southern neighbors in the first half of the twentieth century are quite well known. In contrast, Latin American scenarios of the Cultural Cold War have remained relatively less well known. The contributors and editors of this volume examine various facets and means of action used by the US machinery of persuasion with the aim of disseminating the virtues of its socioeconomic and political model, including both public and private efforts and the significance of nonstate actors. Subjects examined include the impact of the theory of modernization, anti-Americanism, the deployment of public diplomacy in the region, the activities of the Congress for Cultural Freedom and the Rockefeller Foundation, and the influence of these efforts on sporting, artistic, and musical events. This volume will be of value to students and scholars alike interested in Latin American history and history of the Americas.

The Subject of Revolution Jennifer L. Lambe, 2024-08-27 From television to travel bans, geopolitics to popular dance, *The Subject of Revolution* explores how knowledge about the 1959 Cuban Revolution was produced and how the Revolution in turn shaped new worldviews. Drawing on sources from over twenty archives as well as film, music, theater, and material culture, this book traces the consolidation of the Revolution over two decades in the interface between political and popular culture. The subject of Revolution, it proposes, should be understood as the evolving synthesis of the imaginaries constructed by its many subjects, including revolutionary leaders, activists, academics, and ordinary people within and beyond the island's borders. The book reopens some of the questions that have long animated debates about Cuba: from the relationship between populace and leadership to the archive and its limits, while foregrounding the construction of popular understandings. It

argues that the politicization of everyday life was an inescapable effect of the revolutionary process as well as the catalyst for new ways of knowing and being

South Asian Writers, Latin American Literature, and the Rise of Global English Roanne Kantor, 2022-02-24 South Asian writers reference Latin American literature to identify against the Anglophone globe even as they circulate within it

History and International Relations Howard LeRoy Malchow, 2020-03-19 This updated and enhanced second edition of *History and International Relations* charts the foundations development and use of International Relations from a historian's perspective Exploring its engagement with the history of war peace and foreign relations this volume provides an account of international relations from both western and non western perspectives its historical evolution and its contemporary practice Examining the origin of dominant IR theories exploring key moments in the history of war and peace that shaped the discipline and analysing the Eurocentric nature of current theory and practice Malchow provides a full account of the relationship between history and IR from the ancient world to modern times To bring it up to the present day and provide new ways for students to grasp the history of IR this new edition includes An updated final chapter reflecting on the practice of IR in a post 9 11 world New scholarship and sources in IR practice and theory published since 2015 A time line charting the evolution of International Relations as a discipline A new glossary of terms Expanded section on IR theory and practice in the ancient world and early Christian era Greater incorporation of IR practice and theory in non western ancient medieval and modern worlds *History and International Relations* is essential reading for anyone looking to understand international relations diplomacy and times of war and peace in a historical context

The Routledge Handbook of Latin American Development Julie Cupples, Marcela Palomino-Schalscha, Manuel Prieto, 2018-12-07 The *Routledge Handbook of Latin American Development* seeks to engage with comprehensive contemporary and critical theoretical debates on Latin American development The volume draws on contributions from across the humanities and social sciences and unlike earlier volumes of this kind explicitly highlights the disruptions to the field being brought by a range of anti capitalist decolonial feminist and ontological intellectual contributions The chapters consider in depth the harms and suffering caused by various oppressive forces as well as the creative and often revolutionary ways in which ordinary Latin Americans resist fight back and work to construct development defined broadly as the struggle for a better and more dignified life The book covers many key themes including development policy and practice neoliberalism and its aftermath the role played by social movements in cities and rural areas the politics of water oil and other environmental resources indigenous and Afro descendant rights and the struggles for gender equality With contributions from authors working in Latin America the US and Canada Europe and New Zealand at a range of universities and other organizations the handbook is an invaluable resource for students and teachers in development studies Latin American studies cultural studies human geography anthropology sociology political science and economics as well as for activists and development

practitioners The Politics of Art Hanan Toukan,2021-06-08 Over the last three decades a new generation of conceptual artists has come to the fore in the Arab Middle East As wars peace treaties sanctions and large scale economic developments have reshaped the region this cohort of cultural producers has also found themselves at the center of intergenerational debates on the role of art in society Central to these cultural debates is a steady stream of support from North American and European funding organizations resources that only increased with the start of the Arab uprisings in the early 2010s The Politics of Art offers an unprecedented look into the entanglement of art and international politics in Beirut Ramallah and Amman to understand the aesthetics of material production within liberal economies Hanan Toukan outlines the political and social functions of transnationally connected and internationally funded arts organizations and initiatives and reveals how the production of art within global frameworks can contribute to hegemonic structures even as it is critiquing them or how it can be counterhegemonic even when it first appears not to be In so doing Toukan proposes not only a new way of reading contemporary art practices as they situate themselves globally but also a new way of reading the domestic politics of the region from the vantage point of art

Latin America Mauricio Tenorio-Trillo,2017-04-13 Latin America is a concept firmly entrenched in its philosophical moral and historical meanings And yet Mauricio Tenorio Trillo argues in this landmark book it is an obsolescent racial cultural idea that ought to have vanished long ago with the banishment of racial theory Latin America The Allure and Power of an Idea makes this case persuasively Tenorio Trillo builds the book on three interlocking steps first an intellectual history of the concept of Latin America in its natural historical habitat mid nineteenth century redefinitions of empire and the cultural political and economic intellectualism second a serious and uncompromising critique of the current Latin Americanism which circulates in United States based humanities and social sciences and third accepting that we might actually be stuck with Latin America Tenorio Trillo charts a path forward for the writing and teaching of Latin American history Accessible and forceful rich in historical research and specificity the book offers a distinctive conceptual history of Latin America and its many connections and intersections of political and intellectual significance Tenorio Trillo s book is a masterpiece of interdisciplinary scholarship

forum for inter-american research Vol 4 Wilfried Raussert,2023-07-20 Volume 4 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas fiar is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish
