Net Income Blueprint Lucifer Heart:

Heart of an Apostle Pete Beck, Jr.,2007-10-01 After many years of experience with churches I observed that the maturing of the churches in general was being thwarted by the lack of genuine apostolic and five fold ministry The book was written to illustrate the need for genuine apostolic leadership from the heart of maturity Most books about apostolic leadership although good and helpful were more or less written from the point of view of application and performance of ministry rather than from the aspect of heart Key editorial points are Why we need each other The marks of a true apostle and how to recognize them The need for a team spirit Passing the baton to future leaders This book will throw great light on the understanding of those who want to see true oversight work in churches and the blessing it will bring to all concerned

Hierophantic Landscapes Richard Leviton,2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again

Cosmic Onion Sarah Duff,2025-03-26 Cosmic Onion A Love Story Across the Layers of the Universe Elodie never believed in fate until the universe started peeling back its layers One moment she s living an ordinary life the next she meets Mr X a man as enigmatic as the cosmos itself Their connection is instant electric written in the stars yet tangled in unseen forces Love like the universe is both infinite and chaotic As Elodie s mind spirals entangled in the gravitational pull of passion uncertainty and cosmic synchronicities she teeters on the edge of reason Is she awakening to a love transcending time and space or is she simply losing herself in the vast unhinged cosmos of her own heart A tale of love science and spirience Cosmic Onion peels back the layers of reality revealing that love is not just found it is remembered rewritten and reborn
