News Literacy and Democracy Seth Ashley, 2019-10-14. News Literacy and Democracy invites readers to go beyond surface level fact checking and to examine the structures, institutions, practices and routines that comprise news media systems. This introductory text underscores the importance of news literacy to democratic life and advances an argument that critical contexts regarding news media structures and institutions should be central to news literacy education. Under the larger umbrella of media literacy, a critical approach to news literacy seeks to examine the mediated construction of the social world and the processes and influences that allow some news messages to spread while others get left out. Drawing on research from a range of disciplines including media studies, political economy and social psychology, this book aims to inform and empower the citizens who rely on news media so they may more fully participate in democratic and civic life. The book is an essential read for undergraduate students of journalism and news literacy and will be of interest to scholars teaching and studying media literacy, political economy, media sociology and political psychology.

China and the Internet Song Shi, 2023-12-15. Two oversimplified narratives have long dominated news reports and academic studies of China's Internet: one lauding its potentials to boost commerce, the other bemoaning state control and measures against the forces of political transformations. This bifurcation obscures the complexity of the dynamic forces

operating on the Chinese Internet and the diversity of Internet related phenomena China and the Internet analyzes how Chinese activists NGOs and government offices have used the Internet to fight rural malnutrition the digital divide the COVID 19 pandemic and other urgent problems affecting millions of people It presents five theoretically informed case studies of how new media have been used in interventions for development and social change including how activists battled against COVID 19 In addition this book applies a Communication for Development approach to examine the use and impact of China s Internet Although it is widely used internationally in Internet studies Communication for Development has not been rigorously applied in studies of China s Internet This approach offers a new perspective to examine the Internet and related phenomena in Chinese society

Fake News und Desinformation Ralf Hohlfeld, Michael Harnischmacher, Elfi Heinke, Lea Lehner, Michael Sengl, 2020-09-18 Desinformation ist eine Konstante der politischen Kommunikation Doch mit der Wahl Donald Trumps zum Pr sidenten der Vereinigten Staaten und der Brexit Abstimmung in Gro britannien erhielten bewusst lancierte Falschnachrichten eine neue gesellschaftliche Bedeutung Denn nun wurde sichtbar welche Wirkungen Falschmeldungen f r demokratische Systeme haben Der Band geht diesem Ph nomen auf den Grund indem er herausarbeitet was Fake News sind Er geht der Frage nach wie warum und von wem sie eingesetzt werden und reflektiert was man gesellschaftlich und pers nlich dagegen tun kann Das Buch gibt zu diesem Zweck einen berblick ber den aktuellen Stand der empirischen Forschung zu Fake News und Desinformation besonders mit Blick auf deren Verbreitung Erkennbarkeit und Wirksamkeit Zugleich diskutiert er in einer Mischung aus Essays theoretischen Er rterungen und empirischen Studien die Herausforderungen von Desinformation f r unsere Gesellschaft und beleuchtet so das Thema von allen Seiten

My Kind of Sound Enrique Encabo, 2020-11-24 This volume explores the importance and significance that music has in our lives The relationship between music and identity is based on conceptions about meanings and identification especially powerful when connected with youth and popular music We narrate ourselves in a musical way and we must study music as culture rather than music in culture The contributions to this book attend to emerging phenomena such as the rise of the Reggaeton music around the world the importance of music in anime media and music industry changes and uncertainties in the new millennium Music is art but it is also an industry and a business and the two are intertwined through the sale of tickets original formulas are obtained and in the same way products not just musical but multimedia are born from alternative culture eventually becoming mainstream In addition this book also takes into account iconic artists such as Nirvana David Bowie or Miley Cyrus and the important contribution of music to the narrative and success of popular TV series analysing cases such as Babylon Berlin and Vikings From Blade Runner 1982 to current television mainstream productions the music image alliance does not only satisfy and distract us but also challenges us and forces us to rethink our view of the world
