Amazons in the Digital Era Arturo Sánchez Sanz,2025-09-04 For more than 3 000 years the Amazons have been a recognised symbol that transcends mythology and has influenced history itself The image of the powerful warrior woman who defied the established patriarchal order proved so compelling that it became permanently enshrined in the collective imagination first through oral tradition and later through texts and images The contributions in this volume explore how this image has endured through the lens of classical reception From Wonder Woman to the war in Ukraine and across diverse genres such as video games fashion warfare and documentary film the Amazonian archetype has evolved beyond anything once imagined Today however we are witnessing a true transformation No longer embodying the negative traits the Greeks once ascribed to them the Amazons have become a symbol of strength resilience and empowerment a model for women s rights in a global society and an icon of feminism and the LGBTQIA community Divided into three parts this book analyses how the image of the Amazon has at different times and in different contexts been marginalised put on a pedestal and globalised For the first time media case studies and lived histories are examined to compare and contrast modern frameworks with each other and with the original Amazonian iconography What emerges is a concept of the Amazon as a modern paradigm that speaks as strongly to contemporary society as it did to the ancients but with a very different meaning **Report to the Congress** United States Information Agency,1962

Solomon,2025-10-16 When members of the founding generation protested against British authority debated separation and then ratified the Constitution they formed the American political character we know today raucous intemperate and often mean spirited Revolutionary Dissent brings alive a world of colorful and stormy protests that included effigies pamphlets songs sermons cartoons letters and liberty trees Solomon explores through a series of chronological narratives how Americans of the Revolutionary period employed robust speech against the British and against each other Uninhibited dissent provided a distinctly American meaning to the First Amendment s guarantees of freedom of speech and press at a time when the legal doctrine inherited from England allowed prosecutions of those who criticized government Solomon discovers the wellspring in our revolutionary past for today s satirists like Jon Stewart and Stephen Colbert pundits like Rush Limbaugh and Keith Olbermann and protests like flag burning and street demonstrations From the inflammatory engravings of Paul Revere the political theater of Alexander McDougall the liberty tree protests of Ebenezer McIntosh and the oratory of Patrick Henry Solomon shares the stories of the dissenters who created the American idea of the liberty of thought This is truly a revelatory work on the history of free expression in America *One Ticket to Texas* Jan Hudson,2011-07-15 HOW TO MARRY A MILLIONAIRE Irish Ellison s answer for reeling in a wealthy husband was simple Buy one ticket to Texas Trade in boring shapeless dresses for a brand new sexy wardrobe And set out to woo and wed a member of the Texas Millionaires Club But Irish ran into a little detour along the way A six and a

half foot blond muscular detour by the name of Kyle Rutledge Kyle would have made the perfect groom except he didn't have a cent to his name But how could Irish resist a hunk who refused to let her walk down the aisle with anyone but him

Down on the Farm, Way Back When Stephen Nelson, 2025-01-08 Dad would warn me to stay back from the barn door when he let the cows out for the first time at the end of a long winter After taking a few steps outside you might see a mature cow do something you wouldn't expect Jump in the air Quite a feat considering a mature cow weighs about 1 500 pounds Stephen Nelson's childhood memories are an impressionist painting of another time a time when each family on the shared phone line had a particular ring and a time when a little boy carefully carried buckets of fresh warm milk to feed the calves by hand There's a lot that people who've never lived on a family farm don't know and with farms consolidating fewer and bigger snapshots like Stephen's are a rare breed This collection is rich with sights sounds scents not just the obvious one and the kind of details only someone who's been there can tell you Down on the Farm Way Back When is a walk down memory lane for those who know and a time machine for those who don't
