## Spotify Deal:

**Streaming Wars** Charlotte Henry, 2025-10-03 Streaming broadcasters have given consumers all the content they could ever want But at what cost In *Streaming Wars* journalist Charlotte Henry explores the seismic shifts behind the rise of platforms like Netflix Disney Apple TV Spotify Amazon Prime Paramount and more From Hollywood's 2023 strikes to the race for sports rights the growth of ad supported tiers and the decline of traditional TV she reveals how streaming has disrupted not only media economics but also the power structures that define what gets made and who gets seen As AI rebundling and fierce competition drive a new phase in the streaming era *Streaming Wars* offers a sharp accessible look at what's next for companies creators and audiences alike Whether you're a casual viewer or a media professional *Streaming Wars* is your essential guide to the business battles transforming entertainment

**The Deal**, 2010 *Technology* Penny Crofts, Honni van Rijswijk, 2021-04-30 Placing contemporary technological developments in their historical context this book argues for the importance of law in their regulation Technological developments are focused upon overcoming physical and human constraints There are no normative constraints inherent in the quest for ongoing and future technological development In contrast law proffers an essential normative constraint Just because we can do something does not mean that we should Through the application of critical legal theory and jurisprudence to proactively engage with technology this book demonstrates why legal thinking should be prioritised in emerging technological futures This book articulates classic skills and values such as ethics and justice to ensure that future and ongoing legal engagements with socio technological developments are tempered by legal normative constraints Encouraging them to foreground questions of justice and critique when thinking about law and technology the book addresses law students and teachers lawyers and critical thinkers concerned with the proliferation of technology in our lives

**Chokepoint Capitalism** Rebecca Giblin, Cory Doctorow, 2022-09-27 A call to action for the creative class and labor movement to rally against the power of Big Tech and Big Media Corporate concentration has breached the stratosphere as have corporate profits An ever expanding constellation of industries are now monopolies where sellers have excessive power over buyers or monopsonies where buyers hold the whip hand over sellers or both In *Chokepoint Capitalism* scholar Rebecca Giblin and writer and activist Cory Doctorow argue we're in a new era of chokepoint capitalism with exploitative businesses creating insurmountable barriers to competition that enable them to capture value that should rightfully go to others All workers are weakened by this but the problem is especially well illustrated by the plight of creative workers From Amazon's use of digital rights management and bundling to radically change the economics of book publishing to Google and Facebook's siphoning away of ad revenues from news media and the Big Three record labels use of inordinately long contracts to up their own margins at the cost of artists chokepoints are everywhere By analyzing book publishing and news live music and music streaming screenwriting radio and more Giblin and Doctorow deftly show how powerful corporations construct anti competitive flywheels designed to lock in

users and suppliers make their markets hostile to new entrants and then force workers and suppliers to accept unfairly low prices In the book s second half Giblin and Doctorow then explain how to batter through those chokepoints with tools ranging from transparency rights to collective action and ownership radical interoperability contract terminations job guarantees and minimum wages for creative work Chokepoint Capitalism is a call to workers of all sectors to unite to help smash these chokepoints and take back the power and profit that s being heisted away before it s too late Passion Economy and the Side-Hustle Revolution Utkarsh Amitabh,2023-03-20 Work is getting unbundled from employment and the Great Resignation has become the new normal As the passion economy becomes mainstreamed people will look to build a portfolio of professions that create multiple income streams They are likely to monetize their passions and build a career on their terms seeking autonomy mastery and purpose along the way Today it is possible to do what you love teach what you love and make a living This book will tell you how *International Entrepreneurship* Robert D. Hisrich,2015-07-06 Combining comprehensive coverage with a wide variety of real life cases *International Entrepreneurship Starting Developing and Managing a Global Venture* gives entrepreneurs the tools they need to successfully launch international ventures in today s hypercompetitive world Bestselling author Dr Robert D Hisrich helps students and entrepreneurs develop global business plans select international opportunities and determine the best entry strategy The text also covers practical considerations such as legal concerns the global monetary systems global marketing and global human resource management for entrepreneurs The fully updated Third Edition provides increased attention to culture and reflects recent changes in our increasingly globalized world Readers will also be exposed to new cases featuring international activities of entrepreneurs and ventures throughout the world **Separation of Powers and Antitrust** Vincent Martenet,2023-10-12 Notes bibliogr Bibliogr p 187 217 index Billboard ,2009-10-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Economist** ,2012 **Hastings Journal** ,2013 **Return On Influence: The Revolutionary Power of Klout, Social Scoring, and Influence Marketing** Mark Schaefer,2012-03-07 Looks at how brands are using the world s most powerful online celebrities like bloggers and tweeters to market products and shows how this same system can be used by the reader to achieve goals **The Hastings Law Journal** ,2012 **Bloomberg Businessweek** ,2011 *The Times Index* ,2013-02 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement **You Will Own Nothing** Carol Roth,2023-07-18 AN INSTANT NEW YORK TIMES BESTSELLER A NEXT BIG IDEA CLUB MUST READ The bestselling author and entrepreneur investigates what would happen if a new financial world order took hold one in which global elites own everything and you own nothing and yet you are somehow happy When Carol Roth first heard that one of the World

Economic Forum's predictions for 2030 was 'You will own nothing and be happy' she thought it was an outlandish fantasy. Then she researched it. What she found was that a number of businesses, governments and global elites share a vision of a future that sounds utopian. Everyone will have everything they need and no one will own anything. From declines in home and vehicle ownership to global inflation and government spending, many of the trends of modern life reveal that a new world that is emerging, one in which Western citizens, by choice or by circumstance, increasingly do not own possessions or accumulate wealth. It's the perfect economic environment for the rich and powerful to solidify their positions and prevent anyone else from getting ahead. In *You Will Own Nothing*, Roth reveals how the agendas of Wall Street, world governments, international organizations, socialist activists and multinational corporations like Blackrock all work together to reduce the power of the dollar and prevent millions of Americans from taking control of their wealth. She shows why owning fewer assets makes you poorer and less free. This book is an essential guide to protecting your hard-earned wealth for the coming generations.

**You're Kind of a Big Deal: Level Up by Unlocking Your Audacity** Erin King, 2021-06-01. Unlock your inner audacity and become the leader you were born to be. Women are often told that dreaming bigger and exuding confidence is the key to achieving professional success. While big dreams and confidence might get you started, they won't fuel you throughout the marathon and over the finish line. In order to keep going through thick and thin, you need audacity. *You're Kind of a Big Deal* provides the strategies, tools and inspiration you need to power up your potential, break free from limiting beliefs and make your biggest dreams a reality. International keynote speaker and successful entrepreneur Erin King helps you step into the role of CEO of your own life and better execute your responses to challenging feedback from the world around you so you can move through any and all obstacles between you and your goals. Be more present, honest and authentic in your professional and personal life. Increase your energy to take on the toughest challenges. Develop greater clarity on your place and purpose in life. Handle social settings and meet new people with a new sense of confidence. Drop the automatic negative thoughts and stay positive even in the face of adversity. *You're Kind of a Big Deal* dares you to listen more closely to your intuition when it comes to pulling the trigger on big, courageous business decisions, even if those decisions might initially shock those in your orbit. Get ready to finally break through all barriers standing between you and the goals you were born to absolutely crush, because the fact is, *You're Kind of a Big Deal*.

**The Seeker and the Sage** Brigid Delaney, 2025-09-30. How Stoic principles can help us navigate the challenges of our divided, unstable world. Can the principles of Stoicism lead us to a peaceful, good life? We are all going to die, so how should we live? A traumatised journalist is given a dream assignment: track down the mayor of a remote and mysterious town whose citizens are reported to be the happiest people on Earth. Journeying into a harsh and inhospitable landscape, she overcomes many obstacles before arriving in Silver Springs, whose citizens live according to the ancient philosophy of Stoicism and where she has been granted three days to interview the mayor. The journalist wants to know how to live a good life and be a good person when she returns to the chaos outside the valley. The mayor wants to

protect his dominion from being tainted by the modern world In her bestseller *Reasons Not to Worry* Brigid Delaney explores the foundations of Stoicism and how you can apply them to your life Now in *The Seeker* and the Sage she asks how can the wisdom of this ancient philosophy apply to communities and how can we create our own utopias in an increasingly troubled world

**As We Wander: Road Trip Australia** Luke Riddle, Jessica Caldwell, 2025-09-30 Everything you need to hit the road in this stunning curated travel guide by Australia's much loved travelling family After spending many years travelling around Australia photographers and content creators Jess and Luke of *\_aswewander* have gained a wealth of knowledge about life on the road They have visited some of Australia's most spectacular locations travelled by caravan and 4WD and are passionate about inspiring other Aussies to explore their home soil In *As We Wander Road Trip Australia* Jess and Luke have put together 34 of their favourite Australian road trips ranging from weekenders to month long journeys Each chapter features a map with their suggested itinerary driving tips must see destinations including nature walks and swimming spots the best campsites and other stays plus recommendations for great food and coffee There's advice on preparing for road trips travelling on a budget travelling with kids and pets handy apps and choosing the right setup Jess and Luke also share tips and tricks for capturing the best photos of your journey The book is filled with their beautiful travel photography guaranteed to inspire your own road trip adventure
