fitnesss recollections Rahul Mookerjee,2020-03-29 If there ever was a product I enjoyed creating it is this This morning as I chatted with a lady from Shanghai a high powered lawyer of all things hehe my brain and MEMORY went into overdrive We were talking about life and workouts and bodyweight exercise and the conversation soon got around to LIFE again I wake up at 6 A M she stated I get so much more done And in true form she sent me a picture of her day neatly planned out almost as if it was on an Excel spreadsheet planned out right down to the last minute and coming from a lawyer that doesn t sound out of place either Now I m NOT much of a one for early mornings although I HAVE been in the past most commonly when I was climbing the hill at the wee hours of the morning Let me tell you slogging up that hill was NO joke at 530 AM in the morning especially during COLD and DESERTED winters so deserted and DARK that it would be me and my trust phone torch and perhaps an oldie or two Angel of the City blaring out to keep me company for a while hehe I got some of the best workouts in of my LIFE at that time and I still remember EACH and every one of those numerous workouts strange as it might sound And I still remember EACH and every one of my workouts when I was in college and the FEELING behind them I still remember climbing up a hill in POURING weather that most wouldn t even consider going out in I still remember ah but this is the entire point of me writing THIS and telling you THIS Just writing these tales and recollections got me so fired up that I literally pounded out a 100 pushups right there in my study right after writing about a 15000 words or so give or take and if this inspires me a VETERAN when it comes to fitness and working out I can just imagine what it will do to you my friend If you ve got a pulse just reading all this will inspire you like nothing else If you re overweight just READING about how I went out there and did it day by day rain sun or shine or hail on occasion hehe will give you JUST the boost you need As my friend Marc once sagely said I think you re great at motivating people And I am and I enjoy doing it which is of course the reason I write my daily emails and newsletters and do everything else I do on a daily basis When I put FEELING and indeed when YOU put feeling into my words and actions is when I perform best and so will YOU my friend So will YOU as you literally

FEEL the emotion pouring off my words As you re literally there with me for instance as I climb up the hill LATE at night or perhaps meet the old man in China I ve met in the late afternoons You ll feel me breathing fire so much so that YOU might well feel it too You ll BE THERE with me as I psyched up for that final climb You ll be there with me all those years ago as yours truly went for a swim with his grandfather at 430 AM in the morning no less Did any of that inspire you I bet it did and while all of this probably paved the way for my own fitness routines and indeed LOVE for exercise it will for you too when you read it 15 POWER PACKED and INSPIRATIONAL writings for YOURS to GRAB right now my friend Don t hesitate a minute longer dive in NOW and be swept into my WORLD *Newsletter* ,1985 **Towards a Psychophysiological Approach in**

Physical Activity, Exercise, and Sports, volume III Pedro Forte,Daniel Leite Portella,José Eduardo Teixeira,Diogo Monteiro,2025-01-06 In recent years there has been a growing recognition of the profound interconnection between mental health cognition and physiological responses in the context of physical activity exercise and sports This heightened awareness has prompted a paradigm shift towards embracing a holistic psychophysiological perspective in research within this field Volume III of this Research Topic delves deeper into the intricate relationship between psychological factors such as depression anxiety and motivation and their impact on physiological variables during physical activity exercise and sports performance Through a comprehensive exploration of this multidimensional interplay we aim to advance our understanding of how cognition education and psychological well being intersect with physiological responses By examining the nexus of mental health cognition and physiological variables we aim to shed light on the underlying mechanisms driving performance behaviour and overall well being in athletes and individuals engaged in physical activity We invite contributors to uncover new insights and pave the way for innovative approaches to enhancing performance promoting well being and addressing mental health challenges in the realm of physical activity exercise and sports Bulletin - Holmes Safety Association
