

Practising Phonics

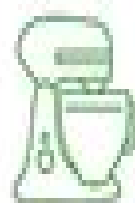

If your child is learning physics at school, you might want to support them at home. But first, convince *us* what to do.

My right to life and my right to life's companionship in the right persons is less than that of my right to life and my right to life's companionship in the right persons. My right to life and my right to life's companionship in the right persons is less than that of my right to life and my right to life's companionship in the right persons.

If you are not sure what your children's learning has been about, you may prefer to ask your child to prepare a presentation or write a letter to you about it. They will have to think about the **learning objectives** and also consider what to do if they do not understand the work.
