Every Minute Matters [Grades K-5] Molly Ness, 2020-07-02

Make the most of every instructional minute with engaging literacy activities

Time or lack thereof may be the most precious commodity in the classroom

From covering all the necessary curriculum and imparting life skills to attending meetings and answering emails educators are faced with real challenges when there never seems to be enough time to do it all

Although teachers don't have the power to create more minutes in the school day they do have the power to be effective and efficient with the time given

Molly Ness asks teachers first to examine their use of time in the classroom in order to make more space for literacy

She then introduces 40 innovative activities designed to replace seatwork

These literacy rich alternatives for classroom transitions are presented alongside

Research on instructional time in K-5 classrooms

Strategies for how to maximize every minute of instruction

Suggestions for improving efficiency to expand independent reading and writing time

Reflective practices to help teachers examine how they use the time they have

The instructional day is ripe for redesign with a thoughtful and authentic time audit

Every Minute Matters guides educators through that process by outlining literacy rich activities to optimize transitional times and minimize lost instructional minutes

Strategies for Effective Balanced Literacy Fresch, Mary Jo, 2017-03-01
