mate or getting a child to eat his broccoli Well he thought he d just have to assemble his own master class in the art of selling And so he did setting out on a remarkable pilgrimage to find the world s great wizards of sales Great selling is an art that demands creativity mindfulness selflessness and resilience but anyone who says you can become a great salesperson in 15 minutes is either a charlatan or a fool The more Delves Broughton traveled and listened the more he found a wealth of applicable insight In Morocco he found the master rug merchant who thrives in Kasbah by using age old principles to read his customers In Tampa he met with Tony Sullivan king of the infomercial and learned the importance of creating a good narrative to selling effectively In a sold out seminar with sales guru Jeffrey Gitomer he uncovered the ways successful selling approaches religion inspiring faith and even a sense of duty in customers From celebrity art dealer Larry Gagosian to the most successful saleswoman in Japan Broughton tracked down anyone who would help him understand what it took to achieve greatness in sales Though sales is the engine of commerce and industry more Americans work in sales than in manufacturing marketing or finance it remains shrouded in myth The Art of the Sale is a powerful beam of light onto the field a wise and winning tour of the best in show of this endeavor which is nothing less than the means by which all of us one way or another get our way in the world **Love for Sale** David Hajdu,2016-10-18 Named a Must Read by Vanity Fair and BBC One of our sharpest music critics recounts a life immersed in pop music An engaging history The Wall Street Journal In Love for Sale David Hajdu one of the most respected critics and music historians of our time draws on a lifetime of listening playing and writing about music to show how pop has done much more than peddle fantasies of love and sex to teenagers From vaudeville singer Eva Tanguay the I Don t Care Girl who upended Victorian conceptions of feminine propriety to become one of the biggest stars of her day to the scandal of Blondie playing disco at CBGB Hajdu presents an incisive and idiosyncratic history of a form that has repeatedly upset social and cultural expectations Exhaustively researched and rich with fresh insights Love for Sale is unbound by the usual tropes of pop music history Hajdu for instance gives a star turn to Bessie Smith and the blues queens of the 1920s who brought wildly transgressive sexuality to American audience decades before rock and roll And there is Jimmie Rodgers a former blackface minstrel performer who created country music from the songs of rural whites and blacks entwined with the sound of the Swiss yodel And then there are today s practitioners of Electronic Dance Music who Hajdu celebrates for carrying the pop revolution to heretofore unimaginable frontiers At every turn Hajdu surprises and challenges readers to think about our most familiar art in unexpected ways Masterly and impassioned authoritative and at times deeply personal Love for Sale is a book of critical history informed by its writer s own unique history as a besotted fan and lifelong student of pop *Strategic Brand Management* Deborah Roedder John,Carlos J.
