History of the NFL 1920-1932 Brian Aldridge, 2025-08-24 So how did the NFL start Well to begin with it went by another name And get this pro football was also known as post graduate football And to make it worse the league was also unstable Take a quick check to see how many teams played just a portion of their games before folding Fact before becoming the Chicago Bears the team formed in central Illinois and went by a man s last name The city of Chicago meanwhile already had 2 other teams in play one of which hung around until moving to St Louis in 1959 This was the era of contested championships competition from the new and short lived AFL and a much heralded RB from University of Illinois aka The Galloping Ghost If you liked 0 0 ties this was your league But things had to change And thanks to modifications to the field and the ball made prior to the 1932 NFL championship played indoors the sport began to take off
