elevated levels of blood pressure without the constant reliance on prescription drugs and discover something that actually
works If your answer is yes then you are in the right place You see having your blood pressure come down to normal and
reducing the risk of suffering from hypertension complications doesn't have to be difficult even if you feel you've literally
exhausted your options or feel you will take those high doses for the rest of your life In fact it is easier than you think Studies
funded by the National Heart Lung and Blood Institute demonstrated clearly why consuming a diverse balanced diet like
DASH is more successful than eating a traditional American diet A trial of this diet has been performed by the National Heart
Lung and Blood Institute with impressive results given that the DASH diet decreased blood pressure with a diet low in
saturated fat low cholesterol high in total fat and high in fruits and vegetables products free of fat or milk whole grain fish
and poultry Which means that it is actually possible to take better control of your blood pressure and benefit from that
immensely Perhaps you are wondering What exactly is this DASH diet and how does it work How does it actually bring about
the results What are the dos and don'ts you need to follow Does it work for everyone Does the diet have any other benefits
besides hypertension If you have these and other related questions this book is for you so keep reading In this book you will
discover The basics of the DASH diet including what it is how it works and how it came about Who the diet is meant for The
link between hypertension and weight including how the DASH diet helps with hypertension How you stand to benefit from
the DASH diet besides weight loss and lowering blood pressure What types of foods are allowed in the DASH diet Delicious
DASH diet recipes that will get you to see results FAST Answers to frequently asked questions about the DASH diet And
much more Take a second to imagine a time not so far away from today when you have better control of your hypertension
take fewer or no medication and have a lesser risk of suffering from a cardiac arrest or stroke How will you be feeling seeing
the doctor review your prescription downwards and giving you good feedback regarding your progress all thanks to the
DASH diet If you can't wait for that Scroll up and click Buy Now With 1 Click or Buy Now to get started **GLP-1 Diet**
