Deal Maker Joseph Dean Klatt, PhD, Mba Michael M. Forbes, 2009-12 This is a book of negotiation stories that apply techniques Dr Klatt has learned since 1972 the year he began his career as a professional real estate licensee negotiator They are techniques that were learned in the School of Hard Knocks the best learning place of all This book is not intended to be a complete presentation of all areas of negotiation negotiation practice or negotiation theory It is intentionally short on theory and long on stories It is so much easier and more fun to remember stories than theory and if you remember the story you will be able to work back to the theory It is a book written for real estate agents law students attorneys mediators and anyone else for whom negotiations are central to their career In a sense this means that this book has been written for us all For we are all professional negotiators Dr Klatt was a strapping San Diego City lifeguard excellent athlete competitive surfer ambidextrous tennis player and drag racing champion before an accident robbed him of his sight That was an event that could have broken the spirit of lesser men Instead Dr Klatt turned his physical short coming into a vector for professional excellence He went on to sell a portfolio of property that has a present collective value that is easily worth hundreds of millions of dollars and he did it all without ever laying sight upon one single inch of the property that he sold This book is his method
