

name, no spark ever came out of his wheel, while Ranga created a regular pyrotechnic display and passing children stood transfixed by the spectacle. "All right," Ranga would retort, "I do not grudge the  
 65 poor fellow his luck, but he will impart to your knife the sharpness of an egg; after that I won't be able to do anything for you. You must not think that anyone and everyone could handle steel. Most of these fellows don't know the difference between a knife
