Competing on Culture Randall VanWagoner, 2018-06-19 Community colleges are under intense pressure to change in response to shifts in an increasingly complex environment Stakeholders are placing simultaneously contradictory demands on colleges for more and better service increased accountability and more efficient use of resources in order to get the most from colleges in tough economic times These demands have contributed to cultural fragmentation in community colleges as staff are pulled in competing directions by events beyond their control The upshot is a circumstance in which leaders are finding that culture is perhaps the most powerful element affecting organizational performance and change The old saw culture eats strategy for breakfast epitomizes the importance of culture as a means for enhancing the long term viability of an organization This book provides fresh analysis of organizational culture in the community college context with a critical examination of the relationship between organizational culture and change Readers will benefit from frank advice with insights to drive change by transforming and leveraging culture to shape the future of community colleges

Trust and Inspire Stephen M.R. Covey, David Kasperson, McKinley Covey, Gary T. Judd, 2022-04-05 From the bestselling author of The Speed of Trust and Smart Trust a revolutionary new way to lead Stephen M R Covey has made it his life's work to understand trust in leadership and organizations In his newest and most transformative book Trust and Inspire he makes the compelling argument that even though our world has changed drastically our leadership style has not Most organizations teams schools and families today still operate from a model of command and control focusing on hierarchies and compliance from people But because of the changing nature of the world the workforce work itself and the choices we have for where and how to work and live these old rules of leadership no longer apply Covey's solution is simple yet bold a shift from this

command and control model to a leadership style of trust and inspire Covey challenges our beliefs about people and leadership that have been deeply engrained in management approaches for decades Trust and Inspire is a new way of leading that starts with the belief that people are creative collaborative and full of potential People with this kind of leader are inspired to become the best version of themselves and to produce their best work People don't want to be managed they want to be led Trust and Inspire is the solution to the future of work where a dispersed workforce will be the norm necessitating trust and collaboration across time zones cultures personalities and technology Trust and Inspire calls for a radical shift in the way we lead in the 21st century and Covey shows us how
