Digital Vertigo Andrew Keen, 2012-05-22 Digital Vertigo provides an articulate measured contrarian voice against a sea of hype about social media As an avowed technology optimist I'm grateful for Keen who makes me stop and think before committing myself fully to the social revolution Larry Downes author of The Killer App In Digital Vertigo Andrew Keen presents today's social media revolution as the most wrenching cultural transformation since the Industrial Revolution Fusing a fast paced historical narrative with front line stories from today's online networking revolution and critiques of social companies like Groupon Zynga and LinkedIn Keen argues that the social media transformation is weakening disorienting and dividing us rather than establishing the dawn of a new egalitarian and communal age The tragic paradox of life in the social media age Keen says is the incompatibility between our internet longings for community and friendship and our equally powerful desire for online individual freedom By exposing the shallow core of social networks Andrew Keen shows us that the more electronically connected we become the lonelier and less powerful we seem to be
