The Rise and Fall of Explorys and IBM Watson Health Doug Meil, 2025-09-22 In 2015 Explorys was a healthcare intelligence cloud company that had built one of the largest clinical data sets in the world representing more than 50 million lives. It provided secure cloud based solutions for clinical integration, at risk population management, cost of care measurement and pay for performance. The acquisition of Explorys complemented and strengthened the IBM Watson Health Cloud platform and empowered IBM's vast ecosystem of clients, partners and medical researchers to surface new connections among diverse and previously siloed healthcare data sets. The combination of both Explorys and IBM Watson Health was expected to spur the creation of a new generation of data driven applications and solutions designed to advance health and wellness. So what went wrong? IBM Watson Health is a massive case study in healthcare innovation gone awry. IBM was one of the oldest and largest

technology companies in the world and was riding a tailwind with IBM Watson's Artificial Intelligence success on Jeopardy in 2011. The Watson Health division was seeded with multiple healthcare acquisitions, one of them being Explorys. Explorys had a portfolio of hosted population analytic solutions and the largest clinical dataset in the United States at the time, at approximately 50 million de-duplicated patients. The newly created division was loaded with potential and seemed destined for success. Yet Watson Health went from being founded in April 2015 to imploding in May 2018 in a little over three years and took Explorys down with it. IBM Watson Health's ascent and descent were covered by both healthcare and mainstream media. Watson Health was self-described as IBM's Moonshot in healthcare. This venture failed and it cost IBM billions of dollars. These were expensive lessons on managing innovation in healthcare but also on managing innovation in general. This book chronicles the story of Explorys and IBM Watson Health and what led to its downfall in just three short years. Written by one of Explorys' founding engineers, the book relates the rise and fall of both Explorys and IBM Watson and provides a message for future tech entrepreneurs and IT managers alike.

Not That Fancy Reba McEntire, 2023-10-10 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER USA TODAY BESTSELLER The best things in life are really not that fancy. This photo-driven book featuring all things Reba invites you to get back to the basics of life: fun, food, friends, and family. In her first book in over two decades, actress and country music legend Reba McEntire takes you behind the scenes and shares the stories, recipes, and Oklahoma-style truths that guide her life. The perfect gift for anyone who loves down-home recipes, the western lifestyle, heartwarming stories, and a good laugh from the Queen of Country.

FROM REBA: To me, there's nothing better than sitting on the back porch looking out at the land that goes on for miles. A beautiful sunset and then me just sipping on a glass of iced tea or whiskey and Sprite with my friends and family. I don't know what heaven's going to look like, but I hope it feels like Oklahoma. Throw in some beans and cornbread and I'm all set. Okies know that the secret to a good life is to keep things simple and be thankful for what the good Lord's given you. That's what I want to get back to. Simple fun, hard work, good food, and laughing with those you love. Everything I'm doing in my life from here on out, personal or professional, doesn't matter. I'm going to have fun. That's what I'm sharing in this book: some simple, not-that-fancy truths I live by and a bunch of good stories, photos, and recipes that go along with them. So if you're looking to slow down, get back to basics, and have a heckuva lot of fun, I think we're going to have a good time together in these pages. Come on in, kick off your boots, or leave them on. I don't care and learn how to bring a little bit of my downhome-inspired life into your own.

FROM THE PUBLISHER: Not That Fancy includes nearly 200 photographs from Reba's childhood, career, and personal life, many of which are straight from Reba's phone. Never before told stories from rodeoing with her family to pranks with Brooks Dunn to falling in love over a plate of tater tots. Behind the scenes anecdotes from her music and acting career with inspiration on how to follow your passion, trust your gut, and take a chance on yourself. More than 60 recipes of appetizers, mains, sides, desserts, and cocktails from Reba's personal kitchen, from friends and family, and from her restaurant, Reba's Place. Lighthearted lifestyle
