Foldable Phone This Week Customer Service:

Flip the Funnel Joseph Jaffe, 2010-01-26 Why customer retention is the new acquisition If there s anything the recession of 2009 taught us it was the importance of investing in our customers but when was this any different So says Joseph Jaffe bestselling author of *Life After the 30 Second Spot* and *Join the Conversation* and a leading expert and thought leader on new media and social media In most businesses it costs roughly five to ten times more to acquire a new customer than it does to retain an existing one and yet companies continue to disproportionately spend their budgets into the wrong end of the funnel the mass media or awareness side What we haven t paid enough attention to is the right end of the funnel the word of mouth component that essentially acts as a multiplier for future business The economic impact of an active engaged and loyal customer is tremendous And the same is true of the opposite scenario namely the impact of angry customers and negative word of mouth or referrals It is this thinking that Jaffe has channeled to challenge marketers to flip the funnel once and for all With a renewed focus and energy on customer experience it is possible to grow your sales while decreasing your budget in other words getting more from less Engaging a few customers to spread the word to many Using this new flipped funnel model together with a set of new rules of customer service and a revolutionary customer referral and activation process you ll learn how to transform your existing customers into your best salespeople In addition Jaffe will explain how to best introduce and combine both digital and social media tools to boost your loyalty arsenal deploy influencer marketing and implement word of mouth strategies that inspire your loyal opinionated and most vocal customers to become credible persuasive and influential endorsers of your products and services Explains how to cut your marketing budget AND grow sales Illustrates practical ways to use existing customers to reach out to new prospects Outlines the authentic role of social media Demonstrates key ideas with rich real life examples including Comcast Apple The Obama Campaign Dell Panasonic American Airlines Delta Airlines Johnson renowned blogger and podcaster at Jaffe Juice www.jaffejuice.com and host presenter of web video show JaffeJuiceTV www.jaffejuice.tv Visit www.flipthefunnelnow.com to join the conversation

Customer Service for Hospitality and Tourism Simon Hudson, Louise Hudson, 2025-04-30 Fully revised and updated with brand new material and cases on issues surrounding sustainability and AI in the context of customer services plus a brand new chapter on Customer service and sustainability Explains not only the theory behind the importance of customer service but how to put this theory into practice **Flexible Learning in Action** Hudson, Rachel, Lyn, Oates, Maslin-Prothero, Sian, 2014-05-12 First Published in 1997 Pressures to find ways of delivering courses to new markets lifelong learners and part time students have all contributed to the growth in finding ways of delivering flexible learning This book provides case studies to illustrate the diversity of approaches and gives advice on good practice The case studies paint a broad picture of flexible learning developments in higher education in the United Kingdom Australia and the United States of America Several trends concerning the introduction of flexible learning have emerged and the contributors examine strategies that have been

developed at an institutional or departmental level for supporting flexible learning initiatives *Flexible Work - Atypical Work - Precarious Work?* Werner Nienhüser, 2005 **Workplace Strategy for the Flexible Office** Aram

Seddigh, 2023-06-21 Workplace Strategy for the Flexible Office will give you the theoretical understanding and the practical tools needed for creating and implementing a workplace strategy as you move towards a new office or way of working Using both the physical design of the workplace and the way of working as jumping off points Aram Seddigh presents five research based principles that guide your thinking when developing workplace strategies and how this work can be carried out These principles are Right sizing Diversify Facilitate Collaboration Increase Adaptability and Insights Through Participation Together they form the Workplace Adequacy Framework In the first part of the book you ll gain insight into the current state of research in the field with a theoretical model to deepen your knowledge The next part presents a method and a practical review on how to develop and apply a workplace strategy The final part of the book shows how workplace strategies could be executed by two different organisations a tech company and a production company with differing conditions This book focuses on hybrid and flexible ways of working like activity based working for example but the method can also be applied to other ways of working The book can be used as course literature in the education of workplace strategists and related roles as well as for architects project managers change managers workers within HR and real estate departments facility managers real estate consultants and similar professions whose work involves office design and new ways of working
