## Medicine In The Old West:

**Medicine in the Old West** Jeremy Agnew,2010-04-23 The healing arts as practiced in the Old West often meant the difference between life and death for American pioneers Whether the challenge was sickness an Indian arrow a gunshot wound or a fall from a horse a pioneer in the western territories required care for medical emergencies but often had to make do until a doctor could be found This historical overview addresses the perils to health that were present during the expansion of the American frontier and the methods used by doctors to treat and overcome them Numerous black and white photographs are provided as well as a glossary of medical terms Appendices list commonly used drugs and typical surgical instruments from the 1850 1900 era      *Alcohol and Opium in the Old West* Jeremy Agnew,2013-10-25 This book explores the role and influence of drink and drugs primarily opium in the Old West which for this book is considered to be America west of the Mississippi from the California gold rush of the 1840s to the closing of the Western Frontier in roughly 1900 This period was the first time in American history that heavy drinking and drug abuse became a major social concern Drinking was considered to be an accepted pursuit for men at the time Smoking opium was considered to be deviant and associated with groups on the fringes of mainstream society but opium use and addiction by women was commonplace This book presents the background of both substances and how their use spread across the West at first for medicinal purposes but how overuse and abuse led to the Temperance Movement and eventually to National Prohibition This book reports the historical reality of alcohol and opium use in the Old West without bias      The Best of American Heritage: The Old West Edwin S. Grosvenor,2018-11-26 Here in this remarkable collection from American Heritage such noted authors as Tom Brokaw Wallace Stegner John Lukacs and others bring to life many of the most famous men and women of the Old West from Lewis and Clark to Charles Fr mont Billy the Kid Wyatt Earp Chief Joseph Frederick Remington the defenders of the Alamo the Texas Rangers and the riders of the Pony Express It also shines a light on topics such as the origins of scalping the famous Lincoln County War the grim medical reality of Western gunfights cowboy jargon and the first rodeo      **Prohibition and Bootlegging in the American West** Jeremy Agnew,2022-10-25 Prohibition was imposed by eager temperance movements organizers who sought to shape public behavior through alcoholic beverage control in the 19th and early 20th centuries The success of reformers efforts resulted in National Prohibition in America from 1920 to 1933 but it also resulted in a thriving illegal business in the manufacture and distribution of illegal liquor The history of Prohibition and the resulting illegal drinking is frequently told through the lens of crime and violence in Chicago and other major East Coast cities Often neglected are the effects of Prohibition on the Western part of the United States and how Westerners rose to the challenge of avoiding the consequences of illegal drinking Illegal liquor was imported from abroad made in stills using strange ingredients that were sometimes poisonous to the unlucky drinker This history includes stories ranging from serious to quirky and provides an entertaining account of how misguided efforts resulted in numerous unintended consequences      The Old West

in Fact and Film Jeremy Agnew,2012-11-15 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots

*Old West Swindlers* Laurence J. Yadon,Robert Barr Smith,2011-06-23 True stories of nineteenth century crooks con artists and quacks including the man who sold the Brooklyn Bridge Gunslingers and outlaws weren't the only ones who made the West wild The nineteenth century was the golden era of riverboat gamblers crooked railroad contractors and filthy rich medical quacks These crooks made a living deceiving people who took a stranger at face value and left their doors unlocked Throw in some get rich quick schemes and a generous mixture of whiskey and there was never a shortage of suckers Conman George Parker was able to stay in business for forty years by selling public structures such as Madison Square Garden and the Statue of Liberty He even sold the Brooklyn Bridge as often as twice a week For most the Salted Gold Mine or the Magic Wallet cons were enough to satisfy their greed However the more ambitious grifters tried the Big Store an illegal underground betting parlor like the one seen in the movie *The Sting* With an honest looking face and a lack of morals these scammers played a big role in giving the frontier its lawless reputation and this book tells their stories

**In the Old West** George Frederick Augustus Ruxton,2019-12-03 In *In the Old West* George Frederick Augustus Ruxton offers an evocative and richly detailed depiction of the American frontier during the mid 19th century The work combines travelogue and narrative nonfiction with Ruxton's vibrant prose bringing the landscape its people and the complexities of daily life to life Through anecdotes and observations he captures the spirit of exploration danger and adventure that characterized the era all while employing a keen eye for detail and a poetic sensibility that elevates the narrative beyond mere documentation Ruxton a British adventurer and writer was drawn to the American West fueled by his thirst for adventure and a desire to escape the constraints of Victorian society His extensive travels across North America provided him with unique insights into the socio cultural dynamics of the time particularly the lives of indigenous peoples and settlers This firsthand experience greatly informs his account making it both a personal memoir and a historical commentary reflective of the broader themes of colonialism and cultural exchange For readers intrigued by the historical tapestry of the American West Ruxton's *In the Old West* is a must read It serves as an essential resource for both enthusiasts of Western literature and historians alike offering a compelling and authentic glimpse into a pivotal period of American history Ruxton's engaging storytelling and nuanced observations invite the reader to connect deeply with the past In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed

Historical Context immerses you in the era's events and influences that shaped the writing. A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

*A Companion to the American West* William Devereaux, 2008-04-15. *A Companion to the American West* is a rigorous, illuminating introduction to the history of the American West. Twenty-five essays by expert scholars synthesize the best and most provocative work in the field and provide a comprehensive overview of themes and historiography. Covers the culture, politics, and environment of the American West through periods of migration, settlement, and modernization. Discusses Native Americans and their conflicts and integration with American settlers.

[Western Classics, Historical Novels & Tales of the Old West](#) by B. M. Bower (Illustrated) B. M. Bower, 2024-01-16. In *Western Classics: Historical Novels & Tales of the Old West*, B. M. Bower crafts a vivid tapestry of life on the American frontier, deftly blending historical authenticity with imaginative storytelling. Through a series of meticulously illustrated tales, readers are transported to a time when rugged landscapes and pioneering spirits shaped the ethos of a nation. Bower's literary style is characterized by rich descriptions and an abiding sense of place, echoing the tradition of Western literary classics while engaging in the genre's unique oral storytelling heritage. Each narrative is infused with the spirit of adventure, camaraderie, and the harsh realities faced by early settlers, making this collection both a historical document and a tribute to the resilience of the human spirit. B. M. Bower, a pioneer female author in a predominantly male genre, drew upon her deep-seated love for the American West and her own experiences growing up in a frontier community. Her works are not only reflections of her keen observation but also an endeavor to elevate the voices of women, both in their struggles and triumphs in the West. Bower's commitment to authenticity and her passion for storytelling illuminate the complexities of frontier life, inviting readers to witness history through a nuanced lens. This collection is a must-read for enthusiasts of American literature, history, and folklore, as it offers profound insights into the cultural fabric of the Old West. Those seeking adventure and a deeper understanding of this iconic period will find Bower's tales both enlightening and richly entertaining, capturing the essence of a time when courage and determination paved the way for future generations.

[Doctors of the Old West](#) Robert F. Karolevitz, 1967. Traces the development of the healing art with such related factors and facets as hospitals, apothecaries, medicines, equipment, nursing, and midwifery.

*The Human Tradition in the American West* Benson Tong, Regan A. Lutz, 2001-08-01. *The Human Tradition*

in the American West is an engrossing collection of 13 biographies of men and women whose contributions to the development of the American West have largely been left untold in the history books This volume goes beyond the traditional biographical reader by including the lives that collectively offer racial and gender diversity as well as differing class and sexual orientation backgrounds Editors Benson Tong and Regan A Lutz have assembled an impressive group of scholars whose succinct and well written accounts will give students a more complete understanding of this diverse dynamic region of the United States This book is an excellent resource for courses on the American West U S history survey courses and courses in American social and cultural history

**The World of the American West** Gordon Morris Bakken, 2016-12-12 Addressing everything from the details of everyday life to recreation and warfare this two volume work examines the social political intellectual and material culture of the American Old West from the California Gold Rush of 1849 to the end of the 19th century What was life really like for ordinary people in the Old West What did they eat wear and think How did they raise their children How did they interact with government What did they do for fun This encyclopedia provides readers with an engaging and detailed portrayal of the Old West through the examination of social cultural and material history Supported by the most current research the multivolume set explores various aspects of social history family politics religion economics and recreation to illuminate aspects of a society s emotional life interactions opinions views beliefs intimate relationships and connections between the individual and the greater world Readers will be exposed to both objective reality and subjective views of a particular culture as a result they can create a cohesive accurate impression of life in the Old West during the second half of the 1800s

**Encyclopedia of Women in the American West** Gordon Moris Bakken, Brenda Farrington, 2003-06-26 Click Additional Materials for downloadable samples This is a sound purchase for college and university libraries with women s studies or American West programs as well as for large public libraries BOOKLIST This is the first encyclopedia to focus on this neglected group There is a clear need for this encyclopedia recommended for academic and public libraries and all libraries with a special interest in the western region and women s studies LIBRARY JOURNAL A highly educational and enlightening resource the Encyclopedia of Women in the American West is a core recommendation for academic and public library American Western History Studies and Women s Studies reference collections as well as an invaluable resource for writers and non specialist general readers with an interest in studying women s experiences and contributions to American society and culture THE MIDWEST BOOK REVIEW Unites the American West and Women s History American women have followed their manifest destiny since the 1800 s moving West to homestead found businesses author novels and write poetry practice medicine and law preach and perform missionary work become educators artists judges civil rights activists and many other important roles spurred on by their strength spirit and determination Encyclopedia of Women of the American West captures the lives of more than 150 women who made their mark from the mid 1800s to the present contextualizing their experiences and contributions to American society Including many women profiled

for the first time the encyclopedia offers immense value and interest to practicing historians as well as students and the lay public Multidisciplinary and Multicultural Cowgirls ranchers authors poets artists judges doctors educators and reformers although these women took many different paths they are united in their role in history fighting not only for women s rights but equal rights for all in this rich and promised land The Encyclopedia of Women in the American West chronicles the work of Native American activists such as Mildred Imach Cleghorn and Sarah Winnemucca the champion of rights of indigenous peoples who established Nevada s first school for Native Americans in 1884 The encyclopedia also explores the stories of early ranchers Among them is Freda Ehmann who founded the California Ripe Olive Association where according to her grandson science and chemical exactness failed the experience and care of a skillful and conscientious housewife succeeded Women in the American West have long thrived in the arts This is evidenced by the work of authors such as Pulitzer Prize winner Willa Cather Amy Tan and Linda Hasselstrom poets such as Hildegard Flanner and journalist Molly Ivins All are profiled in this comprehensive work The arts are used to address both aesthetic and serious societal issues such as Maxine Hong Kingston s The Woman Warrior the story of a woman s struggle with identity as a minority in American culture Academics will appreciate a study of Ruth Underhill s Autobiography of a Papago Woman which deals with the role of feminist ideology in changing the discipline of anthropology during the first part of the twentieth century Women in the American West have also achieved many firsts such as Utah s Ivy Baker Priest the first woman to hold the office of Treasurer of the United States and Georgia Bullock the first woman judge in the State of California The Many Roles of Women in the American West The Encyclopedia of Women in the American West covers nine diverse topical categories Agriculture Ranching Arts and Letters Education Entrepreneurs Law Pioneers Public Performance Religion Women s organizations The West is often portrayed as a rough and tumble man s world but behind these men and often independently were women with the dreams strength and determination to make a difference The Encyclopedia of Women in the American West is a tribute to their independence intelligence courage spirit perseverance and daring Key Features Authoritative and in depth articles on a wide range of salient issues in women s history Suggested readings and interpretive materials for every entry Bridges two perennially popular areas of academic and lay interest the American West and women s history Developed and priced to appeal to high school and public libraries as well as academic libraries Recommended Libraries Public school academic special and private corporate

**Frommer's? National Parks of the American West** Don Laine, Barbara Laine, 2012-05 Provides information and suggestions for hotels restaurants outdoor activities and top attractions

**The Old West Adventures of Orner and Slim** Montana Kid Hammer, 2009-02-26 This historically based fictional novel tells on a pair of working cowmen and their exploits in the American old west This story chronicles a veteran cowhand Patrick O Connor Orner and his tenderfoot saddle partner Francis Slimmery Slim and how they made their way west to come into the steady employment of the ranch known as the O U T Oh Ewe Tee Spread Further told is how the two main characters come to deal

with life contending with their critters cows the elements of nature the lay of the land outlaws wildlife their friends calico friends and each other all the while toiling to tame their corner of the prairie west Conveyed are the simple but oft humorous and life like escapades of these two laboring cow saddlers as they commence to ply their cow craft for the brand The setting for these accounts is far less fictional and transpires on the very real North American frontier circa 1880 s Told about as well is the time honored cowboy code one pervasive to the people of this era and played out by the two central figures These tales dabble in the daily deeds trials and tribulations of nearly every aspect of a cowman s existence during that period The anecdotal activities are set to expose the full range of endeavors from the slow and arduous boredom of ranch chores to the split second moments of hair raising and life threatening perils oft encountered along the trails The chapters in this story are intended to rekindle the feeling of an old west evening around the campfire filled with tales of cowboy adventures escapades packed with love and luck kinship and hardship calamity and triumph wisdom and self exploration all via the exploits of these two saddleback heroes and their friends All this and shared in the old fashioned American story telling tradition

**Dictionary of the American West** Win Blevins, 2008-08-01 Did you ever need to spell dogie as in get along little or need to know what a sakey is This is the book that can tell you how to spell pronounce and define over 5 000 terms relative to the American West Want to know what a breachy cow is Turn to page 43 to learn that it s an adjective used to describe a cow that has a tendency to find her way through fences where she isn t supposed to be Describes some teenagers we know Spend hours perusing the dictionary at random or read straight through to give you a flavor of the West from its beginnings to contemporary days Laced with photographs and maps the Dictionary of the American West will make you sound like an expert on all things Western even if you don t know your dingus from a dinner plate Compiled of words brought into English from Native Americans emigrants Mormons Hispanics migrant workers loggers and fur trappers the dictionary opens up history and culture in an enchanting way From Aarigaa to zopilote the Dictionary of the American West is a valuable book a treasure for any literate American s library Tony Hillerman

**Women of the American West** Layla Gupta, The American West of the 19th century was a landscape of vast promise and relentless hardship and at the heart of this transformative era were the pioneer women who shaped it with courage resilience and determination These women often overlooked in traditional frontier narratives played vital roles in taming the wild land raising families in isolated settlements and forging communities in places where few comforts existed Life on the frontier was not only physically demanding but emotionally and mentally taxing requiring unyielding strength and adaptability from the women who called it home Pioneer women came from many backgrounds European immigrants former slaves seeking freedom and eastern women pursuing opportunity or following family westward Regardless of origin they all encountered the same rugged terrain and unpredictable conditions Women managed homesteads often working side by side with their husbands or in many cases alone They planted crops tended livestock chopped wood cooked over open fires and nursed the sick without access to professional care These women

became adept at improvising finding ways to survive and thrive in a world that offered no guarantees In many cases women were responsible for the social and cultural fabric of emerging frontier communities They organized schools churches and sewing circles establishing a sense of normalcy and connection amid isolation Their presence helped to stabilize early settlements offering not only domestic management but also leadership and social organization Despite limited legal rights many frontier women exerted influence through their roles in education religion and community cohesion *Great Murder Trials of the Old West* Johnny D. Boggs, 2002-11-30 Not every Wild West disagreement was settled with guns on a dusty street Even on the frontier accused criminals were entitled to a fair trial Author Johnny Boggs recreates and analyzes some of the wildest murder trials of these times
