of the Holy Grail Jeffrey John Dixon,2023-03-22 In the twelfth century a French poet wrote a verse romance about a young knight who witnesses a mysterious procession centered on a radiant vessel a grail Left unfinished the poem inspired other writers of prose and verse until the story was completely rewritten into the Arthurian romances in which the vessel becomes a relic of the Last Supper the Holy Grail For hundreds of years the Grail story has haunted the western imagination But the original medieval texts are full of inconsistencies as different writers attempted to complete the story in varied ways This encyclopedia illuminates a path through the Perilous Forest of literature and legend Entries summarize the stories of the principal characters sacred objects and places associated with the Grail An Afterword shows how mysteries of the grail continue to enchant the scholars and creative writers who have transformed the medieval legend into modern mythology

Cathar Truth Beverley E. Gould,2018-08-17 This is the story of my encounter with a monk from a shared past life in the thirteenth century His message to me was I want you to remember the Gilded Rose It could be useful for you now We were the Pure Ones who were rent asunder for official gain in the Languedoc South France We were put to the rack in the Inquisition It was not your fault I love you I forgive you and I want you to be happy My thirty five years of research of the fascinating life and times origins and beliefs of these Pure Ones known as Cathars are detailed in this book They were taught by Mary Magdalene in the first century and persecuted by the church of Rome in a forty year Crusade ending in their ultimate defeat at Montsegur in 1244 This book is my tribute to all those thousands if not millions of good Christians Cathars who stood fast for their truth in the face of certain death It leads you into understanding their relationship to Jesus and Mary Magdalene the Holy Grail the Troubadours the Shroud of Turin the Knights Templar the Ark of the Covenant the Sacred Feminine and more This deeply researched book will enrich your spiritual life and give you insights into the beliefs and gentleness of a hitherto unknown world the Church of Love brutally suppressed by the medieval Church of Rome because they refused to obey the Roman Church's man made rules

Deception in the Church Mary Kelsey,2006-01-06 Deception in the Church brings a timely warning to both Christians and non Christians to be alert to the strategies satan uses to keep us from the truth The book traces the historical development of Christianity the battles for the faith against the legalism and tradition of the Jews to the influences of Greek philosophy and Gnosticism It reveals the heresy and corruption of the faith by Roman

Catholicism and the undermining influences of science and humanism to post modernism and New Age thinking *Anima*, 1984 **The Templars** Michael Haag, 2009-10-21 Arguably one of the most provocative puzzling and misunderstood organizations of medieval times the legendary Knights Templar have always been shrouded in a veil of mystery while inspiring popular culture from Indiana Jones to Dan Brown In *The Templars* author Michael Haag offers a definitive history of these loyal Christian soldiers of the Crusades sworn to defend the Holy Land and Jerusalem but ultimately damned and destroyed by the Pope and his church A bestseller in the United Kingdom the first history of the enigmatic warriors to include findings from the Chinon Parchment the long lost Vatican document absolving the Knights of heresy *The Templars* by Michael Haag is a fascinating reading *Eternal Chalice* Juliette Wood, 2008-06-30 The sacred allure of the Holy Grail has fascinated writers and ensnared knights for over a thousand years From Malory to Monty Python the eternal chalice said to be the very cup from which Christ drank at the Last Supper has the richest associations of any icon in British myth Many different meanings have been devised for the Grail which has been linked to the Celts and King Arthur the eucharistic rites of Eastern Christianity ancient mystery religions Jungian archetypes dualist heresies Templar treasure and even the alleged descendants of Christ himself and Mary Magdalene The common thread running through all these stories is the assumption that the Grail legend has a single source with a meaning that if only we could decode it is concealed in the romances themselves That meaning has become the subject of coded secret documents and is the central feature of a vast conspiracy supposedly stretching back to the dawn of western civilization Juliette Wood here reveals the elusive and embedded significance of the Grail story in popular consciousness as myth medieval romance tangible holy relic and finally as the centre of an esoteric theory of global conspiracy The author shows how various interpretations of the Grail over the centuries reflect changing cultural needs and desires Her book will enthral those who like Sir Perceval seek to unlock the mysterious secrets of western mythology's most extraordinary and tantalising enigma and will delight students of history myth and religion alike

The Dove and the Dragon Ed Simon, 2025-08-12 No Western religious concept has been as socially culturally economically and politically significant as that of the apocalypse Neither heaven and hell nor sin and salvation nor even God and the devil have merited the attention of billions of people in the manner that belief in the end of the world has Apocalyptic thinking is riven by a fruitful and at times dangerous binary between the hopes for a coming millennium when all shall be perfected or of a fiery deluge when the earth shall be destroyed *The Dove and the Dragon* is the first comprehensive history of Western apocalypticism Ed Simon introduces a new system for classifying movements concerned with the end of history between hopeful millennial doves and violent apocalyptic dragons This framing connects a seemingly disparate phenomenon from medieval millennialism to modern Marxism Reformation apocalypticism to contemporary techno utopianism Expected groups are considered but unexpected phenomena are interpreted through the lens of apocalypticism as well to argue that those that have often been classified as secular still take part in this ancient theological category This new way of

interpreting history gives sense to the full scope of apocalypticism as a series of movements and as a genre including not just religion and theology but politics philosophy and pop culture as well The Dove and the Dragon promises to be the standard introduction for years to come **Encyclopedia of Heresies and Heretics** Chas Clifton,1992-12 Substantial articles about movements and leaders condemned by the Catholic Church and some of the people who did the condemning torturing and burning Does not cover for example the radical sects of the 1640s in England or the major Protestant reformers who were condemned in their time Includes many reproductions of medieval illustrations Annotation copyright by Book News Inc Portland OR Encounter ,1982-06 *The Secret Scroll* Andrew Sinclair,2012-09-28 This is the story of a how a little known manuscript in a Masonic Lodge in Kirkwall has become one of the most important historical documents of the Middle Ages It is also the story of the Templars who were its guardians and of what happened to them after the Crusades Although references to this famous order of military knights rarely appears in standard histories of the time a great deal of information about them can be gleaned from other more esoteric sources such as sculpture and architecture Suppressed by Philip of France out of greed the Templars were gradually driven underground in more and more European countries Yet they continued to exist still guarding the knowledge and relics that they had gathered for the defence of the Holy Land It is this that connects all this to Henry St Clair Earl of Orkney and Grand Master of the Knights Templar and discoverer of America All of these threads come together in one extraordinary scroll still in Kirkwall which reveals in full the secrets of the Knights Templar **Encounter** Stephen Spender,Irving Kristol,1982 Man, Myth, and Magic: Jud-Mag ,1995 **The Templar Code For Dummies** Christopher Hodapp,Alice Von Kannon,2011-02-14 A captivating look into the society of the Knights Templar Brought to you by the author of Freemasons For Dummies The Templar Code is more than an intriguing cipher or a mysterious symbol it is the Code by which the Knights Templar lived and died the Code that bound them together in secrecy and the Code that inspired them to nearly superhuman feats of courage and endurance The Templar Code for Dummies reveals the meaning behind the cryptic codes and secret rituals of the medieval brotherhood of warrior monks known as the Knights Templar This intriguing guide will cover such topics as who the Knights Templar were how they rose so high and fell so far and most importantly why there is so much interest in them today The Templar Code For Dummies will explore myths and theories of Christian history that appear in the Da Vinci Code such as the quest for the Holy Grail the Catholic Church s relationship with women that are hotly debated now with special emphasis on the Templar connection It also explores the surprising part the Templars have played in some of the most important historic events of these past seven centuries including the French Revolution the birth of groups such as the Freemasons and even the American Civil War *First Templar Nation* Freddy Silva,2017-11-21 Overturns the long established historical narrative about the origins and purpose of the Knights Templar Explains how and why the Templars created Europe s first nation state Portugal with one of their own as king Reveals the Portuguese roots of key founding members their relationship with the Order of Sion the Templars devotion

to Mary Magdalene and John the Baptist and the meaning and exact location of the Grail Provides evidence of Templar holy sites and hidden chambers throughout Portugal Includes over 700 references many from new and rare sources Conventional history claims that nine men formed a brotherhood called the Knights Templar in Jerusalem in 1118 to provide protection for pilgrims traveling to the Holy Land Overturning this long established historical narrative Freddy Silva shows that the Order of the Temple existed a decade earlier on the opposite side of Europe that the protection of pilgrims was entrusted to a separate organization and that in league with the Cistercian monks and the equally mysterious Order of Sion the Templars executed one of history's most daring and covert plans the creation of Europe's first nation state Portugal with one of their own as king Including over 700 references many from new and rare sources Silva reveals Portugal not Jerusalem as the first Templar stronghold He shows how there were eleven founding members and how the first king of Portugal a secret Templar was related to Bernard de Clairvaux head of the Cistercians The author explains the Templars motivation to create a country far from the grasp of Rome where they could conduct their living resurrection initiation whose candidates were declared risen from the dead a secret for which the Church silenced millions and which the Templars protected to the death Placing the intrepid Knights in a previously unknown time and place Silva's historical narrative reveals the Portuguese roots of key founding members their relationship with the Order of Sion the Templars unshakeable devotion to Mary Magdalene and John the Baptist and how they protected a holy bloodline in Portugal He also provides evidence of secret Templar holy sites initiation chambers and hidden passageways throughout Portugal often coinciding with pagan and Neolithic temples and explains how their most important site forms a perfect triangle with the Abbey of Mont Sion in Jerusalem and the Osirion temple in Egypt The author also reappraises the meaning of the Grail and reveals its exact location hidden in plain sight to this very day
