Medieval Gnostics The Mandeans And The Massalians:

John the Baptist and the Last Gnostics Andrew Philip Smith, 2016-08-16 This fascinating study of the Mandeans of Iraq considered the last of the Gnostics traces their history back to John the Baptist and the days of early Christianity Among the casualties of western intervention in Iraq and ISIS are the Mandeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandeans place weekly river baptisms at the center of their religious life and the primary exemplar of their religion is none other than John the Baptist So what is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandeans from their present plight back through their earliest encounters with the West their place in Islamic countries their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond

The Mandeans Edmondo F. Lupieri, 2001-11-07 The book is made even more valuable by the inclusion of an extensive anthology of translated Mandaean texts complete with notes This collection of writings presents the spiritual world of Mandaeanism with fragments of mythical theological texts and pages of ethical and historical meditations BOOK JACKET

John the Baptist and the Last Gnostics Andrew Phillip Smith, 2016-08-16 Are there still Gnostics and can their roots be chased back to John the Baptist Among the casualties of the western intervention in Iraq and the recent activities of ISIS are the Mandeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandeans place weekly river baptisms at the centre of their religious life and the primary exemplar of their religion is none other than John the Baptist What is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandeans from their present plight back through their earliest encounters with the West their place in Islamic countries their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond

Sulla soglia del sacro Antonio Panaino, 2002

Mandaean Studies Svend Aage Pallis, 1974 *The Mandeans* Jorunn Jacobsen Buckley, 2002-11-14 The Mandeans are a Gnostic sect that arose in the middle east around the same time as Christianity What little study of the religion there has been has focused on the ancient Mandeans and their relation to early Christianity Buckley examines the lives and religion of contemporary Mandeans who live mainly in Iran and Iraq but also in New York and San Diego She provides a comprehensive introduction to the religion and shows how its ancient texts inform the living religion and vice versa **John the Baptist and the Last Gnostics** Andrew Philip Smith, 2016-09-22 Andrew Phillip Smith is editor of *The Gnostic* and the

author of several books on Gnosticism esotericism and early Christianity including the first ever dictionary of Gnosticism He has also written for New Dawn Fortean Times and the Guardian **Gnostic John the Baptizer** G R S Mead,2020-02-02
Gnostic John the Baptizer Selections from the Mandaean John Book was written by English historian writer editor translator and Theosophist G R S Mead and originally published in 1924 In this work Mead turns his hand to illustrating the beliefs of the Mandaeans regarding John the Baptist who are a small and little known religious community living mainly in Iraq The group are the last group of traditional Gnostics left in the world and because of this their beliefs present a fascinating study of living Gnosticism Whilst not Christians per se they trace their lineage back to John the Baptist of the Christian tradition and before to be commonly known as the Nazoraeans however they hold themselves aside from both Christianity and Judaism both of which they regard in true Gnostic fashion as perverted versions of the true faith *The Mandaean Book of John* Charles G. Häberl,James F. McGrath,2019-11-18 Given the degree of popular fascination with Gnostic religions it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day Mandaism Mandaeans who esteem John the Baptist as the most famous adherent to their religion have in our time found themselves driven from their historic homelands by war and oppression Today they are a community in crisis but they provide us with unparalleled access to a library of ancient Gnostic scriptures as part of the living tradition that has sustained them across the centuries Gnostic texts such as these have caught popular interest in recent times as traditional assumptions about the original forms and cultural contexts of related religious traditions such as Judaism Christianity and Islam have been called into question However we can learn only so much from texts in isolation from their own contexts Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism and by extension all these other religions but also to observe the relationship between Gnostic texts rituals beliefs and living practices both historically and in the present day

Gnosis und spätantike Religionsgeschichte Kurt Rudolph,1996 A collection of 40 or so of the author s essays and contributions to the study of Gnosis the Mandaeans and Manichaeism published in the course of the past 40 years Most have been revised for this new edition Subjects treated include on the one hand source problems Nag Hammadi Manichaean finds and texts Mandaean manuscripts and on the other hand the situating of the gnostic cum Manichaean tradition in the context of late antique religious history especially with regard to the early Christian Church and its environment Contributions on the history of research set out the issues and problems that have arisen from the study of these texts Particular attention is given to the new finds from Nag Hammadi which have proved highly significant for a new picture of Gnosis and Manichaeism The author who is especially well known for his work of Mandaica has incorporated this aspect of Gnosis in the overall picture

The Mandaeans (Last Gnostics) and the Christians in the Time of Jesus Christ Carlos Gelbert,Sue Aran,2013

The Gnostics and Their Remains, Ancient and Medieval Charles William King,1864 **The Mandaeans** Edmondo Lupieri,2002 In an engaging style that mirrors the interesting nature of his subject Edmondo Lupieri portrays the traditional

way of life of the Mandaeans still found living today in Iraq and Iran and introduces readers to the world of Mandaean ideas including the view that they are the only ones on earth who possess the true and oldest faith The Mandaeans Maire M. Masco,2012-03-01 A small community of Gnostics called the Mandaeans survived in the Persian Gulf region from the 2nd century CE into the present day The Mandaeans are the only culture that has practiced both Gnosticism and astrology continuously for more than 1800 years Mandaean astrology is a unique synthesis of Babylonian Hellenistic Arabic and Jyotisha Indian systems Astrological interpretations are recorded in the Sfar Malwa ia The Book of the Zodiac a book used exclusively by Mandaean priests for the benefit of the Mandaean community Analyses of the astrological techniques employed by the Mandaeans illustrate the cultural influences that converged in the early centuries of the Common Era The Mandaeans Gnostic Astrology as an Artifact of Cultural Transmission is the first study to consider the historical development of astrology using the Sfar Malwa ia to demonstrate the cross cultural influences in Persian Gulf This is an abridged edition of the MA thesis written by Maire M Masco in 2012 The thesis discusses the genethliological and mundane astrological techniques found in the Sfar Malwa ia or Mandaean Book of the Zodiac *The Gnostics and their Remains, Ancient and Medieval* C. W. King,2022-04-05 Reprint of the original first published in 1864 **Gnostic John the Baptizer** G. R. S. Mead,2020-04-17 Gnostic John the Baptizer Selections from the Mandaean John Book was written by English historian writer editor translator and Theosophist G R S Mead and originally published in 1924 In this work Mead turns his hand to illustrating the beliefs of the Mandaeans regarding John the Baptist who are a small and little known religious community living mainly in Iraq The group are the last group of traditional Gnostics left in the world and because of this their beliefs present a fascinating study of living Gnosticism Whilst not Christians per se they trace their lineage back to John the Baptist of the Christian tradition and before to be commonly known as the Nazoraeans however they hold themselves aside from both Christianity and Judaism both of which they regard in true Gnostic fashion as perverted versions of the true faith

The Mandaean Gnostic Religion Brikha H. S. Nasoraia,2021 The Mandaeans commonly called the Followers of John the Baptist are the longest surviving Gnostics and this book is the first in depth study of their practices especially their baptismal rites and their teachings of deep knowing in mystical literature and fascinating stick figure art Mostly from Iraq and Iran through persecution the Mandaeans have been scattered around the globe **John the Baptist and The Last Gnostics** Andrew Philip Smith,2016-09-23 Are there still Gnostics and can their roots be chased back to John the Baptist Among the casualties of the western intervention in Iraq and the recent activities of ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught **Gnostic Ethics and Mandaean Origins** Edwin M. Yamauchi,2004 *Gnostic John the Baptizer* G. R. S. Mead,2019-05-07 THE main materials contained in these pages will certainly be new for the vast majority of readers Moreover the Mand an narratives legends and discourses are not only interesting because of their own distinctive matter and

manner but they are also arresting for they raise a number of problems some of which are far reaching and one is fraught with implications of immense importance The definite solutions of these problems however lie in the future and the most important of them will perhaps never be reached for in the absence of straightforward historical information general agreement on any subject that concerns Christian origins immediately or even indirectly is now well nigh a psychological impossibility The writer s intention in publishing these selections is not to speculate about the problems for we are not yet in a position to state them with sufficient accuracy but the very modest undertaking of making accessible for English readers some specimens of narrative and doctrine from one collection only of the traditional gnostic material which the Mand an scribes have preserved to our own day through centuries of copying and which hands on an early literature purporting at least in part to go back to times contemporaneous with Christian origins
