Teaching and Researching: Reading William Peter Grabe, Fredricka L. Stoller, 2013-11-26 Teaching and Researching Reading was first written to help language professionals understand the complex nature of reading Now in a thoroughly updated and improved second edition the book expands connections from research on reading to instructional practices and teacher initiated action research Offering an updated overview of reading theory it summarises key ideas and issues in first and second language contexts In addition to providing insightful research analyses Grabe and Stoller offer practical advice

for practitioners and researchers including evidence based teaching ideas and a multi step iterative process for conducting meaningful action research on reading related topics The volume outlines 29 projects for teacher adaptation and use as well as numerous new or substantially expanded resource materials that can be used for both action research and classroom instruction Learning aids featured throughout the volume include key concept boxes and a glossary of key terms quote boxes highlighting critical issues in the field resource lists of relevant journals books and websites Fully revised throughout with a range of new exemplary L1 and L2 research studies and an entirely new chapter on the move from research implications to instructional applications this second edition of *Teaching and Researching Listening* is an invaluable resource for teacher trainers practicing teachers materials writers and researchers alike

Intensifying Classroom Routines in Reading and Writing Programs Michael P. Ford, 2017 Three common routines are seen in almost every primary language arts programs morning messages shared readings and word walls These routines should be integrated to support the total language arts program but are teachers of grades K 2 getting the most bang for their buck out of these activities Morning messages can become very routinized and repeat the same experiences over and over again Shared readings are sometimes conducted with little variation in spite of changing demands from the texts being used and changing needs in the learners with whom they are being used Word walls might be put up with some attention early in the year and remain virtually unchanged as the year moves forward *Intensifying Classroom Routines in Reading and Writing Programs* focuses on how teachers can get more instructional mileage out of these three common classroom routines Author Michael P Ford lays out step by step day by day plans to put those three key routines on a cycle that changes as students move through developmental phases This resource helps teachers plan for emergent and early readers and writers It also looks at how teachers can assist students as they move through critical areas including concepts of print alphabetic knowledge phonological awareness sound symbol relationships high frequency words structural analysis context clues comprehension strategies and composition strategies With these intensified routines in place students will clearly see connections between reading and writing
