Once Upon a Farm Rory Feek, 2018-06-19 National Bestseller Sometimes it's not only what we plant but where we re-planted. Now raising their four-year-old daughter Indiana alone after Joey's passing, Rory Feek digs deeper into the soil of his life and the unusual choices he and his wife Joey made together and the ones he's making now to lead his family into the future. When Rory Feek and his older daughters moved into a run-down farmhouse almost twenty years ago, he had no idea of the almost fairy tale love story that was going to unfold on that small piece of Tennessee land and the lessons he and his family would learn along the way. Now two years after Joey's passing, as Rory takes their four-year-old daughter Indiana's hand and walks forward into an unknown future, he takes readers on his incredible journey from heartbreak to hope and ultimately the kind of healing that comes only through faith. A raw and vulnerable look deeper into Rory's heart, *Once Upon a Farm* is filled with powerful stories of love, life, and hope and the insights that one extraordinary ordinary man in bib overalls has gleaned along the way. As opposed to homesteading, this is instead a book on lifesteading as Rory learns to cultivate faith, love, and fatherhood on a small farm while doing everything at times but farming. With frequent stories of his and Joey's years together and how those guide his life today, Rory unpacks just what it means to be open to new experiences. This isn't a how-to book; it's more of a how we or more accurately how He God planted us on a few acres of land and grew something bigger than Joey or I could have ever imagined.

Take the Leap Andrea Nourse, 2025-05-06 For Sadie Barnes, fear is second nature. Elevators, snakes, parking garages, airplanes, dating, and crowds with more than three people are just a few of the things she avoids at all costs. But when the marketing agency she started with her best friend is on the line, Sadie is willing to do anything to keep their business alive. Even if it means being contractually obligated to do a tandem skydive with Tripp. James Tripp is the CEO of Take the Leap, a company specializing in booking extreme adventures. He's everything Sadie isn't: brave, adventurous, and gorgeous, and he might be their agency's saving grace. Sadie agrees to be the face of their marketing campaign and go with Tripp on their most popular adventures, proving they have an activity for everyone, even someone as fearful as Sadie. But things get complicated when the campaign gets off to a rocky start and Sadie starts to develop feelings for Tripp. Can she conquer her fears or will she continue to hide in her safe bubble? No amount of therapy could prepare her for discovering something more terrifying than falling from a great height: falling in love.

Trust and Safety Laura Blackett, Eve Gleichman, 2024-06-06 Wickedly funny, astute, and brilliantly, terribly relatable. I could not put it down. LAURA KAY: Sexy, surprising, witty, and beautifully written. A complete delight from start to finish. ANDREA BARTZ: Newlywed Rosie has grown disenchanted with NYC. Inspired by Instagram ads, she starts thirsting for a rural life upstate, one full of beauty and simplicity. But when Jordan suddenly loses his job on the day they close the deal, the couple is forced to rent out the property's dilapidated outbuilding. Enter Dylan.
