Mey Irtz, 2021-05-06 To this day it amazes me that more people aren't aware of the HUGE potential that the internet represents when it comes to earning money. This is not just an option for those lucky tech savvy entrepreneurs; this is something that anyone can start doing with amazing effects. If you know how to use a computer, then you could be earning money online. Not only that, but you could be earning passive income. That means you could be earning money while you sleep. And those passive income business models don't need to be complicated to set up. By the way, this is something you can start doing in days, if not hours. Some online business models are so shockingly simple that they literally involve doing little more than copying and pasting an exciting business model to start making it work for you. **Online Business All-In-One For Dummies**
