Transforming from

Consumer to Producer in 90 Days Darryl L. Wortham, 2011-08-10 FOREWORD The core concept is not just saving money but saving time and energy as well. These savings are multiplied together giving you more money to invest. To summarize I created the equation $ET^2 \rightarrow INVEST$ in which saving Money Energy and Time ET are multiplied to generate More Money $M^2 \rightarrow INVEST$. This equation is fundamental to your success. You must be prepared to take action to start having enough money to accomplish your goals to stop living paycheck to paycheck and to retire early. If you are on course to make the same income as last year or worse facing declining take home pay because of ever increasing taxes, medical costs and declining economy, don't give up. Saving money, energy and time will generate more money to invest, creating real income and wealth. Transforming you from consumer to producer. You must expand yourself personally as well as enhance your inner and micro economics. Rather than growing a mega company's revenue or the financial fortitude of millionaires' pockets, you are going to grow your own individual savings account, retirement plan and children's college funds. This book is a guide to help you create a path and roadmap to a life of saving money, reducing debt, living efficiently and creating wealth by investing within a reasonable timeframe. Together we will examine four major building blocks that inspire and accelerate behavioral changes: 1. Why and how to change your behavior and lifestyle. 2. How to save money, energy and time. 3. How to invest your money, energy and time savings to improve your present situation and build for the future. 4. How to create and implement a transformation plan. Progressive ideas and hilarious cheap strategies are also detailed. These are necessary to exceed your personal and financial goals. I want you to be thrilled about life, saving money for a brighter future and early retirement while having fun at the same time. [Music Business For Dummies](#) Loren Weisman, 2015-06-17 Start your music career off right with this fun guide to the music industry. You'll learn how file sharing, streaming and iTunes have transformed the industry and how to navigate your way through the new distribution models to capitalize on your work. It all begins with the right team and this practical guide explains who you need to have on your side as you begin to grow and get more exposure. Coverage includes rehearsing, performing, recording, publishing, copyrights, royalties and much more, giving you the information you need to start your career off smart. Music industry success has never been easy to achieve and recent transformations and disruptions to the business side have made the whole idea even more daunting than before. This guide gives you a roadmap around the landmines and provides expert advice for starting out on the right foot. Find the right players, agents and business managers. Make more money from your work with smart distribution. Build your brand and get people talking about you. Get gigs, go on tour and keep on growing. If music is your calling, you need to plan your career in a way that sets you up for success from the very beginning. Put the right people in place, get the most out of your investments and learn how to work the crowd both virtually and in person. Music Business For Dummies is your companion on your journey to the music career you want. [National League Franchises: Team Performances Inspire Business Success](#) Frank

Jozsa,2015-12-17 This brief analyzes each of the Major League Baseball MLB franchises in the National League and their past regular season and postseason records and financial performances while operating as competitive popular and profitable or unprofitable enterprises Using sport specific information and relevant demographic economic and financial data this brief will highlight when and how well these MLB teams performed and the financial status and significance of their organization as a member of an elite professional baseball league The brief also investigates the success of teams in terms of wins and losses based on home attendance at their ballparks market value and revenue Furthermore it compares the history productivity and prosperity of the franchises among rivals in their division like the Atlanta Braves and New York Mets in the National League East Division Chicago Cubs and Cincinnati Reds in the Central Division and Los Angeles Dodgers and San Francisco Giants in the West Division This brief will be of interest to practitioners and scholars who research the sports industry college and university professors who teach undergraduate and graduate students majoring in sports administration business economics and management and fans of the sport
