Larry Hausner

Mlb Playoffs Review Store Hours:

The Hardball Times Baseball Annual 2008 Bryan Tsao, Carolina Bolado, Joe Distelheim, 2007-11 A comprehensive analysis of the entire 2007 baseball season from the first pitch to the last out including a breakdown of the post season and the World Series Key features include Reviews of how 2005 played out in each of baseball's six divisions An in depth look at the minor leagues Detailed team stats and graphs Team by team individual hitting and fielding numbers A postseason and World Series round up

The Dickson Baseball Dictionary (Third Edition) Paul Dickson, 2011-06-13 The definitive work on the language of baseball one of the Five Best Baseball Books Wall Street Journal Hailed as a staggering piece of scholarship Wall Street Journal and an indispensable guide to the language of baseball San Diego Union Tribune The Dickson Baseball Dictionary has become an invaluable resource for those who love the game Drawing on dozens of nineteenth and early twentieth century periodicals as well as contemporary sources Dickson's brilliant illuminating definitions trace the earliest appearances of terms both well known and obscure This edition includes more than 10 000 terms with 18 000 individual entries and more than 250 photos This impressively comprehensive The Nation book will delight everyone from the youngest fan to the hard core aficionado

Save Baseball Larry Hausner, 2024-01-29 Major League Baseball has been in crisis in recent years Game attendance is down by millions and fan interest is in free fall The future of the game is in jeopardy While the League acknowledges the issues many are stumped as to how to address them This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions Interviews with baseball insiders players to executives give a perspective on baseball's struggle to reinvent itself for future generations

National League Franchises: Team Performances Inspire Business Success Frank Jozsa, 2015-12-17 This brief analyzes each of the Major League Baseball MLB franchises in the National League and their past regular season and postseason records and financial performances while operating as competitive popular and profitable or unprofitable enterprises Using sport specific information and relevant demographic economic and financial data this brief will highlight when and how well these MLB teams performed and the financial status and significance of their organization as a member of an elite professional baseball league The brief also investigates the success of teams in terms of wins and losses based on home attendance at their ballparks market value and revenue Furthermore it compares the history productivity and prosperity of the franchises among rivals in their division like the Atlanta Braves and New York Mets in the National League East Division Chicago Cubs and Cincinnati Reds in the Central Division and Los Angeles Dodgers and San Francisco Giants in the West Division This brief will be of interest to practitioners and scholars who research the sports industry college and university professors who teach undergraduate and graduate students majoring in sports administration business economics and management and fans of the sport

The New York Times Index, 2009

Major League Baseball Organizations Frank P. Jozsa Jr., 2016-10-07 This book analyzes and highlights the development and success of major league baseball teams in the National League and

the American League focusing on each team's performance in seasons and postseasons and to what extent each succeeded as a business enterprise despite competition for market share from other types of entertainment. The book discusses historical and financial information about the 30 major league franchises. Each chapter contains two core themes: Team Performances and Franchise Business. The former highlights which and how teams won division and league championships and World Series while the latter lists and compares financial data including their revenue, gate receipts and operating income and describes interesting business topics. Each chapter also provides an overview of when each franchise organized and why it joined MLB, a brief profile of its current majority owner or ownership group, records of teams' special coaches and players' attendances at home games and how their ballparks rank as a venue for fans. *Baseball Business* explains why particular teams located in large, mid-sized or small markets win more games and titles than others and when and how frequently that occurs. Furthermore, it provides ways to compare franchises' financial success individually by division and by league. By linking and comparing the historical performances of MLB teams to financial information about them as business organizations, this book offers a unique contribution to the literature on the sports industry. The NASCAR Way Robert G.

Hagstrom, 2001-05-25. From the bestselling author of *The Warren Buffett Way*, a revealing inside look at the booming business and investment opportunities of NASCAR. Hagstrom's insights and observations bring a refreshing outside business perspective to our industry. From the Foreword by William C. France, President NASCAR: From its origins in Daytona in the 50s to today's live network broadcasts for millions of devoted fans, Robert Hagstrom offers an in-depth look at the fastest growing sport in the country. *The NASCAR Way* explains how and why dozens of Fortune 500 companies have been lining up to jump on board. Michael T. Hargrave, Senior Motorsports Manager, Anheuser-Busch Inc.: It is great to be associated with NASCAR, the France family and for me to get paid for what I love to race. In *The NASCAR Way*, you see a prime-time sport. Dale Earnhardt, 7-time NASCAR Winston Cup champion: An accurate and entertaining perspective to the unbridled capitalism that has built NASCAR into the 2nd sport in America after football. Bill Nielsen, Director, Promotion, Development and Licensing, Kellogg USA Inc.: Hagstrom understands how our business works both on and off the track. His perception of our sport will have you racing through the pages on the edge of your seat. The book is definitely a winner. Dale Jarrett, Winston Cup driver.

The Eternal Present of Sport Daniel A. Grano, 2017-06. In his persuasive study *The Eternal Present of Sport*, Daniel Grano rethinks the sport-religion relationship by positioning sport as a source of theological trouble. Focusing on bodies, time, movement and memory, he demonstrates how negative theology can be practically and theoretically useful as a critique of elite televised sport. Grano asserts that it is precisely through sport's highest religious ideals that controversies are taking shape and constituting points of political and social rupture. He examines issues of transcendence, legacy (e.g., greatest ever or all time) and witnessing through instant replay which undermine institutional authority. Grano also reflects on elite athletes representing especially powerful embodiments of religious and social conflict including around issues related to gender.

sexuality ability doping traumatic brain injury and institutional greed Elite sport is in a period of profound crisis It is through the ideals Grano analyzes that we can imagine a radically alternative future for elite sport **The Run to the Pennant**

Duane W Rockerbie,Stephen T Easton,2013-07-23 A number of clubs in professional sports leagues exhibit winning streaks over a number of consecutive seasons that do not conform to the standard economic model of a professional sports league developed by El Hodiri and Quirk 1994 and Fort and Quirk 1995 These clubs appear to display what we term unsustainable runs defined as a period of two to four seasons where the club acquires expensive talent and attempts to win a league championship despite not having the market size to sustain such a competitive position in the long run The standard model predicts that clubs that locate in large economic markets will tend to acquire more talent achieve more success on the field and at the box office than clubs that are located in small markets This book builds a model that can allow unsustainable runs yet retains most of the features of the standard model The model is then subjected to empirical verification The new model we develop in the book has as its central feature the possibility of generating two equilibria for a club In the empirical sections of the book we use time series analysis to attempt to test for the presence of unsustainable runs using historical data from National Football League NFL National Basketball Association NBA National Hockey League NHL and Major League Baseball MLB The multiple equilibria model retains all of the features of the standard model of a professional sports league that is accepted quite universally by economists yet it offers a much richer approach by including an exploration of the effects of revenues that are earned at the league level television apparel naming rights etc that are then shared by all of the member clubs making this book unique and of great interest to scholars in a variety of fields in economics **The Business**

of Sports Scott Rosner,Kenneth Shropshire,2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today s sports business leaders It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management marketing finance information technology accounting ethics and law Each chapter features concise introductions a broad range of focused readings and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics **American National Pastimes - A History**

Mark Dyreson,Jaime Schultz,2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation symbolized by its sports These wide ranging essays analyze the claims of particular sports to national pastime status from horse racing hunting and prize fighting in early American

history to baseball basketball and football more than two centuries later These essays also investigate the legal political economic and culture patterns and the gender ethnic racial and class dynamics of national pastimes connecting sport to broader historical themes American National Pastimes chronicles how and why the USA has used sport to define and debate the contours of nation This book was published as a special issue of the International Journal of the History of Sport **The Sports Business in The Pacific Rim** Young Hoon Lee,Rodney Fort,2014-10-31 Following consistent and rapid general economic growth Pacific Rim countries have grown as a major force in sports Australia China Japan and Korea populated the top ten medals list at the 2012 London Olympics Pacific Rim countries are major consumers of international sports and domestic professional sports have expanded continuously over time Nippon Professional Baseball and the Korean Baseball Organization are the second and third largest baseball leagues measured by attendance and revenue following Major League Baseball in the U S This book also includes event studies of team ownership assessment of human capital markets analysis of the relationship between attendance and competitive balance the components of fan demand in common the world over and business decisions concerning attendance and pricing There is already demand for comprehensive study of the sports business in the Pacific Rim as witnessed by this growth This book will be of interest of researchers studying and or teaching in the fields of sports economics and sports management as well as a general audience interested in business governance around the world Baseball on Maryland's Eastern Shore, 1866-1950 Marty Payne,2023-10-09 By 1900 Maryland s Eastern Shore along the western side of the Delmarva Peninsula was acknowledged in the national press as a hotbed of baseball activity By the 1920s the game was fully ingrained into local community life central to the summer social season among the towns and villages that measured their worth by the quality of their teams Providing fresh insight into early 20th century baseball at its grassroots this book explores the Chesapeake Bay region as a case study for the enthusiasm and hubris the game brought to rural American life in context with national trends and influences Sports Capitalism Frank P. Jozsa,2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women s sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials **Robot Law: Volume II** Ryan Calo,A. M. Froomkin,Kristen Thomasen,2025-04-09 An important sequel to the

groundbreaking first edition Robot Law Volume II discusses the societal and economic transformations introduced by robotics Editors Ryan Calo A Michael Froomkin and Kristen Thomasen alongside their contributing authors explore the legal ethical and societal challenges that robotics and automated systems pose investigating the intersection of law and policy in this area

Beating the Odds Brandon Lang, Stanley Cohen, 2009-11-15 The incredible rags to riches to rags to riches true life story of acclaimed sports tout Brandon Lang subject of the motion picture Two for the Money Al Pacino Matthew McConaughey *Beating the Odds* describes in vivid colorful detail Lang's rise from small time sports phone tout to big time national exposure his dramatic fall and his subsequent rebirth in the internet age Also describes the series of improbable events while working as a golf caddie in Los Angeles that eventually led Lang to the optioning of his story to Hollywood and the making of Two for the Money

Baseball Guide Craig Carter, 2001-02 This ultimate 2001 season reference presents everything baseball fans need from America's leading authority in annual sports reference publishing

Bargaining with Baseball William B. Gould IV, 2014-01-10 In 1995 William B Gould IV then chairman of the National Labor Relations Board cast the deciding vote to obtain the injunction that ended the longest strike in baseball history Sixteen years of peaceful relations between baseball labor and management have followed as well as unprecedented prosperity in a relationship that had just endured 30 years of strikes and lockouts This study which clearly illustrates the practical impact of law on America's pastime considers the 140 year sweep of labor management relationships and conflict exploring player owner disputes the development of free agency the collective bargaining process and the racial integration of baseball among other topics It concludes with a discussion of the steroids era the problem with maintaining Jackie Robinson's legacy in the 21st century and globalization

The Court-imposed Major League Baseball Antitrust Exemption United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust, Business Rights, and Competition, 1996 Distributed to some depository libraries in microfiche

Baseball in Crisis Frank P. Jozsa, Jr., 2014-01-10 Recent polls have placed football ahead of baseball in popularity Does this reflect football's rise or baseball's decline Why has the national pastime a title perhaps becoming inaccurate fallen behind other major sports Is the trend reversible This book identifies the most substantial and persistent issues that have impaired Major League Baseball's development Chapters cover inflationary player team and game costs changes in baseball's fan base congestion in urban areas that host big league ballclubs the negligent and irrational actions some of it criminal of players owners league officials and the players union and the maldistribution of power among the major league franchises Six major reforms needed to boost the popularity of baseball are identified
