Morning Routine In The Us Warranty:

Project-H Byron R. Bowen,2013-09-05 PROJECT H is about the Free World and the kind of projects that really do on behind the scenes The reader will gain many things The story is based on prepaid research and development programs Byron R Bowen has many years of experience working with project engineers and scientists on advance electronic systems He has also taught English and Science and some mathematics Although the people are fictional characters the reader may discover many new things Robert Farlan an auditor for the company is sent to a high mountain region to investigate rumors about a secret world He enters another world where he encounters a small civilization Though he only audits government projects the people seem different than most systems personnel He learns they were at one time a top secret government project Due to a paper glitch of some kind the project had been abandoned Project funding suddenly terminated left them without an money and supplies needed to operate their homes projects and services in some ways and returns to his own world The Company began the mission from rumor It was past two thirty a m when the helicopter made an approach for a landing on the high mountain plateau The June sun lay just below the lighted horizon on the mountain peaks to the east The new moon had grown pale and white in the light of early dawn When they came closer I could see that she had green eyes that sparkled unusually bright I made the recording for the security system at your suggestion father she replied quickly For some reason I felt relief knowing the older gentleman was her father He said Are you interested in the whole story Well yes I answered I am interested in the unique aspects of the project That is what the captain wanted the whole story if there was a story I had a duty to perform and I owed my loyalty to the company It was not my place to make any judgments I intuitively felt certain the project people were not subversive Project H is unique of all government projects Research involves electricity of every kind and no other kind of energy The project leader said **USadreview** ,2001 **Journal of the Senate of the United States of America** United States.
