Faith, Romance, and Creations Through Psychosis Megan Jackson Hall, 2021-10-07. Megan Jackson Hall has struggled with her mental health for decades. Faith, Romance and Creations through Psychosis is her powerful memoir that delves into a range of personal topics including the author's continued distrust of her ex husband and her belief in his connections to the mafia. It also explores her dream of a free worldwide online JK doctorate institute, her ideas for revolutionizing the Catholic Church and creating a healing ranch for people suffering from mental health issues. Faith, Romance and Creations through Psychosis delves into how the author learns about her past and the connections of her family to the mafia. She recounts recurring dreams of a romantic relationship with a man named Gary Barlow whom she believes communicates with her through his songs. Transcribing a text within a Medieval manuscript was often not a culturally and ideologically neutral act The lack of direct control by the authors over the circulation of their works allowed scribes to employ particularly refined strategies aimed at assigning new functions and meanings to these texts which might appear very different from the original to the readers This could be achieved in various ways such as manipulating the configuration of the manuscript creating or emphasising textual connections within organised collections exploiting paratexts or making more significant alterations to the text itself This volume provides an overview of the primary ways in which textual repurposing and the consequent guiding of the reader are achieved within the manuscript tradition of Medieval Romance literary texts Each method is described and exemplified through detailed analysis of particularly significant cases which not only offer interesting insights into the perception of authorship in this literary context but also reveal unexpected ways through which manuscript compilers revitalise and enhance the communication of the works they handle This book will be of interest to readers of Romance Medieval literature
