Fever Beach Carl Hiaasen, 2025-05-13 Another instant classic from Carl Hiaasen laugh out loud funny tackling the current chaotic and polarized American culture following in the path of Squeeze Me with two wonderful Hiaasen heroes The afternoon of September first dishwater gray and rainy a man named Dale Figgo picked up a hitchhiker on Gus Grissom Boulevard in Tangelo Shores Florida The hitchhiker who reminded Figgo of Danny DeVito asked for a lift to the interstate Figgo said he d take him there after finishing an errand Thus begins Fever Beach with an errand that leads in pure Hiaasen style into the depths of Florida at its most Floridian a sun soaked bastion of right wing extremism white power greed and corruption Figgo it turns out is the only hate monger ever to be kicked out of the Proud Boys for being too dumb and incompetent On January 6 2021 he thought he was defacing a statue of Ulysses S Grant but he wound up spreading feces all over a statue of James Zacharia George a Civil War Confederate war leader Figgo s already messy life is about to get more complicated thanks to two formidable adversaries Viva Morales is a newly transplanted Floridian a clever woman recently taken to the cleaners by her ex husband now working at the Mink Foundation a supposedly philanthropic organization and renting a room in Figgo s apartment because there s no place else she can afford Twilly Spree has an anger management problem especially when it comes to those who deface the environment and way too many inherited millions of dollars He s living alone a year after his dog died two years after he sank a city councilman s party barge and three years after his divorce Viva and Twilly are plunged into a mystery involving dark money and darker motives they are determined to solve and

become entangled in a world populated by some of Hiaasen's most outrageous characters Claude and Electra Mink billionaire philanthropists with way too much plastic surgery and a secret right wing agenda and Congressman Clure Boyette who dreams of being Florida's and maybe America's most important politician The only things standing in his way are his love for hookers and young girls and his total lack of intelligence We meet Noel Kristianson a Scandinavian agnostic injured when Figgo thinks he's a Jewish threat to humanity and runs him over with his car Jonas Onus Figgo's partner in white power idiocy and many many more Hiaasen ties them all together and delivers them to their appropriate fates in his wildest and most entertaining novel to date
