Focus On: 100 Most Popular New Line Cinema Films Wikipedia contributors, [The Encyclopedia of Best Films](#) Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

The Return of the Thin Man Dashiell Hammett, 2012-11-01 Although characters and stories like Sam Spade and The Maltese Falcon are famous the world over, despite the New York Times description of him as the dean of the school of hard-boiled noir, Dashiell Hammett wrote only five full-length novels in his career. The Thin Man was the last of these published in 1934. But Hammett wrote two other treatments for investigator Nick Charles and his nemesis Charles Wynant: the thin man of the title. Lost when Hammett retired as a novelist, together those treatments form the continuing story of The Thin Man, which is now being published for the first time. Dashiell Hammett died in 1961. His influence inspired writers as diverse as Raymond Chandler and William Burroughs and changed the face of crime writing forever.

Return 2 Terror David Lovett, 2014-10-12 Lieutenant Commander John Graves and SEAL team four are sent to the Middle East in a covert operation to destroy three weapons of mass destruction stolen from the Israelis. Upon reaching their destination, only one thermal displacement device is found and the mission is a failure. Thousands, perhaps millions of American lives back home are at stake. Once back in the U.S., Graves is forced into the FBI since he's the only American who has seen and handled the destructive device. He teams up with lesbian Senior Special Agent Jill Mayfield and together they track the team of terrorists from Canada to Montana, Las Vegas, and California, following a trail of death. As their search continues, they have several run-ins with Tony Santini, head enforcer for the L.A. mob. Graves and Santini become instant enemies. Imaad, one of the terrorists, is an insane, cold-blooded killer. In the book's explosive climax, shocking events occur that bring on the final showdown between John and Jill, Imaad, and Tony. *Return 2 Terror* with Love pulls out all the stops in a thriller you won't soon forget.

Return of the Thin Man Dashiell Hammett, 2018-11-20 This first unabridged appearance of two Nick and Nora Charles novellas by Hammett should be an occasion for delight, and it is. The Wall Street Journal

Dashiell Hammett was a crime writer who elevated the genre to true literature and *The Thin Man* was Hammett's last and most successful novel. Following the enormous success of *The Thin Man* movie in 1934, Hammett was commissioned to write stories for additional films. He wrote two full-length novellas for the films that became *After the Thin Man* and *Another Thin Man*. Bringing back his classic characters, retired private investigator Nick Charles and his former debutante wife Nora, who return home to find Nora's family gardener murdered, pulling the couple back into another deadly game of cat and mouse. Hammett has written two fully satisfying *Thin Man* stories with classic barbed Hammett dialogue and fully developed characters. Written in the style of a screenplay treatment, *The Return of the Thin Man* is a hugely entertaining read that brings back two classic characters from one of the greatest mystery writers who ever lived. This book is destined to become essential reading for Hammett's millions of fans and a new generation of mystery readers the world over. Read *Return of the Thin Man* and rediscover why Dashiell Hammett was the peerless master of crime fiction in all its dark and bloody glory. *New York Journal of Books*. A volume no fan of Hammett's of Nick and Nora Charles of *The Thin Man* series should even think of doing without. *The Huffington Post*.

Hong Kong Cinema and the 1997 Return of the Colony to Mainland China: The Tensions and the Consequences Mengyang Cui, 2007-09-25. In this paper, I aimed to explore deeply the Hong Kong 1997 handover theme films by comparison and summary in order to discover the history and cultural meaning of this incident from a human perspective. 1997 is a turning point for Hong Kong people, society, and the film industry. The city confronted a historical turning point under an experimental one-country-two-systems convention without precedent in history. This led many Hong Kong people to lose confidence about their future. In addition, this historical incident brought a series of social issues to Hong Kong people, such as confusion about their identity and uncertainty about the future. Therefore, I chose four films from two directors with different viewpoints to reveal Hong Kong society and people's life and spirit. Those films are Peter Chan's *Comrades Almost a Love Story* (1996), *Golden Chicken* (2000), and Fruit Chan's *Made in Hong Kong* (1997). *The Longest Summer* (1997). Also, I will give a brief introduction about the aspects of the past of Hong Kong politically, colonial rule, economically, and with respect of Hong Kong identity to understand its cinema and the possible effects of the 1997 handover.
