Anecdotal Yours Somjit Amrit,2023-09-25 It is not a dossier or a diary Anecdotal

Yours captures the anecdotes of life random yet aligned The observations are made by soaking up sights sounds and overtones Each reflection is crafted into a story with a non prescriptive lesson told in a light hearted manner The observations are linked to day to day occurrences that are often ignored or are scantily addressed The narratives in business ecology society humanity and technology are shared These are conceived and crafted into 25 chapters The narrative energy dwells on well known and well accepted principles Yet it maintains just enough novelty in the retelling Each chapter is bite sized to be consumed in less than five minutes because the author is well aware of the reader s attention span which is ironically at a premium in the so called attention economy
