Artificial Intelligence and Machine Learning in Business Management Sandeep Kumar Panda, Vaibhav Mishra, R. Balamurali, Ahmed A. Elngar, 2021-11-04. Artificial Intelligence and Machine Learning in Business Management. The focus of this book is to introduce artificial intelligence (AI) and machine learning (ML) technologies into the context of business management. The book gives insights into the implementation and impact of AI and ML to business leaders, managers, technology developers, and implementers. With the maturing use of AI or ML in the field of business intelligence, this book examines several projects with innovative uses of AI beyond data organization and access. It follows the Predictive Modeling Toolkit for providing new insight on how to use improved AI tools in the field of business. It explores cultural heritage values and risk assessments for mitigation and conservation and discusses onshore and offshore technological capabilities with spatial tools for addressing marketing and retail strategies and insurance and healthcare systems. Taking a multidisciplinary approach for using AI, this book provides a single comprehensive reference resource for undergraduate, graduate, business professionals, and related disciplines.

Code of Ethics Smartypants Romance, April White, 2021-09-21. There are three things you need to know about Oliver Curran: 1. He's a privileged playboy who happens to be a code-writing genius. 2. For once in his life, he's trying to do the right thing. 3. Someone wants him dead. Dallas is a close protection specialist at Cipher Security whose bodyguard skills have already saved Oliver's life once. But when the assassin gets too close to her uncooperative client, Dallas takes the party boy away from the city where he's the social king to the Yukon wilderness where she's a master of survival. If Dallas has to put her life on the line for a self-absorbed guy, she doesn't respect, then Oliver has to take orders from the too-serious woman he can't charm. But living wild
