

GUARDIANS OF THE GALAXY

- Opening on May 27, 2022, Guardians of the Galaxy Cosmic Rewind is one of the newest attractions at EPCOT park in Walt Disney World in Florida. This roller coaster attraction not only incorporates thrills, but also the entire original cast of the movie lend their talents to the ride and pre-show, including Chris Pratt, Zoe Lister-Jones and guest-starring actor Terry Crews.

- Ever wondered what it would be like to be a guardian of the galaxy? On this indoor roller coaster attraction, you have been enlisted to help save the universe! With an integration of ride vehicles that move along to face the action, you have the ability for different ride experiences each time you board. These incredible coaster cars not only push back and forth, but always face the projection screens that are telling the story of the ride. You will always have a front-row seat, no matter where you sit!

PARAMOUNT

Very
important,
above all
else, most
likely

- The musical choices have always been **paramount** for the Guardians of the Galaxy movie series. When creating the ride, Imagineers knew that the soundtrack had to match the energy of the movies, so they tested over 100 songs for the attraction. Randomly picked by the computer each ride, guests can get one of six potential tunes: "September" by Earth, Wind and Fire, "Conga" by the Miami Sound Machine, "Disco Inferno" by the Trammps, "Everybody Wants to Rule the World" by Tears for Fears, "One Way or Another" by Blondie, and "Rhythm Nation" by Flock of Seagulls.
- Cosmic Rewind set many Disney and world records as well. The attraction clocks in at over 200,000 feet long making it the longest enclosed roller coaster at both Walt Disney World Resort, and the world. This massive ride took over 80 miles of rebar and 9,000 yards of concrete to construct. The ride created the first "themed world"-themed pavilion, the first roller coaster in EPCOT park, and the first reverse launch coaster in Walt Disney World Resort.
- One of the most fun "easter eggs", or hidden references, on Cosmic Rewind, is EPCOT park itself. At the end of the ride, Star-Lord, the main character portrayed by Chris Pratt, references how much he loved EPCOT as a kid and begins listing out all of his favorite attractions, such as Horizons, Universe of Energy, and Mission: Earth. All of these rides have shut down, but it is a funny reference to rides of EPCOT park, when Star-Lord was growing up in the 1980s.
