 Anthony J. Diekema,2000 The dawning of the third millennium finds many Christian colleges and universities in a search for identity Coming to grips with the confused often maligned topic of academic freedom is an essential part of this search In this volume an unabashed defender of academic freedom offers well founded advice to an academy that has seemingly lost its way Drawing on forty years in higher education including twenty years as president of Calvin College Anthony Diekema reflects on the extensive scholarly literature on academic freedom against the backdrop of personal experience He develops the larger philosophical framework necessary for thinking about academic freedom but also offers pointed advice gleaned from specific events and challenges to academic freedom that he has personally confronted This balanced approach provides a seasoned perspective for those struggling with the subject of academic freedom in their own institutions In the course of the book Diekema develops a sound working definition of the concept of academic freedom assesses the threats it faces acknowledges the significance of worldview in its implementation and explores the policy implications for its protection and promotion in Christian colleges Statistics of Land-grant Colleges and Universities United States.
