How to Write Ads That Get The Sale! Dr. Robert C. Worstell, 2014-08-09 While the Masters of Marketing Secrets series had already been mined for the history of Advertising and Salesmanship classics I still hadn't told anyone which were the key books out of that dozen which held the core datums where a person could learn the rainmaking skill of copywriting. From this book series I've created this collection which specifically selected only the books which deal best with copywriting itself. The other two collections which preceded this dealt with the evolution of advertising itself and defined salesmanship in a low pressure scenario which is becoming more the way online sales has trended. In fact you'll get banned on various sites if you try anything else. This collection is bringing you the best and brightest of copywriting experts so you can learn first hand what it is that is required to get sales from every ad you write. For that is the test of good copywriting it gets the sale. *The Complete Idiot's Guide to Couponing* Rachel Singer Gordon, 2012-04-03 Combines couponing advice with up to date online coupon tips and a sensible approach. [The Business Sale System](#) James Laabs, 2007-06 **Saving Savvy** Kelly Hancock, 2011-09-06 Everybody wants to save money but sometimes it's just too difficult and overwhelming. Kelly Hancock, popular blogger and media personality, has done the hard work for those who want to save big. Her saving secrets will help readers cut their spending half even before they clip the first coupon. Kelly was a successful business professional who abruptly changed her mind to stay home after the birth of her first child. But it didn't make financial sense on paper. So Kelly figured out a way to cut family's overall spending substantially and their grocery budget by 80%. They not only discovered how to make ends meet, they were able to give more generously to others. She reassures readers that God will faithfully provide for those who seek to honor. **Free Stuff Guide for Everyone Book** Peter Sander, 2017-04-11 MONEY SAVING SECRETS TO LIVING THE FREE LIFE.
