Fraser,2015-10-14 This is the definitive account of the Royal Bank of Scotland scandal For a few brief months in 2007 and 2009 the Royal Bank of Scotland was the largest bank in the world Then the Edinburgh based giant having rapidly grown its footprint to 55 countries and stretched its assets to 2 4 trillion under its hubristic and delinquent former boss Fred Goodwin crashed to earth In Shredded Ian Fraser explores the series of cataclysmic misjudgments the toxic internal culture and the light touch regulatory regime that gave rise to RBS NatWest s near collapse He also considers why it became the most expensive bank in the world to bail out and why a culture of impunity was allowed to develop in the banking sector This new edition brings the story up to date chronicling the string of scandals that have come to light since taxpayers rescued RBS and concluding with an evaluation of the attempts of the bank s post crisis chief executives Stephen Hester and Ross McEwan to dismantle Goodwin s disastrous legacy and restore the damaged institutions to health A gripping account RBS was a rogue business operating in what had become a rogue industry with the connivance of government Read it and weep Martin Woolf Financial Times

Entitled Kate Manne,2020-08-11 Kate Manne is the Simone de Beauvoir of the 21st century Amanda Marcotte I want to press this book on every schoolgirl who thinks that feminism is uncool any woman who thinks the most important gender battles are won pretty much every man I know and say have you thought about this Sophie McBain New Statesman Male entitlement takes many forms To sex yes but more insidiously to admiration bodily autonomy knowledge power even care In this urgent intervention philosopher Kate Manne offers a radical new framework for understanding misogyny In clear sighted powerful prose she ranges widely across the culture to show how the idea that a privileged man is tacitly deemed to be owed something is a pervasive problem Male entitlement can explain a wide array of phenomena from mansplaining and the undertreatment of women s pain to mass shootings by incels and the seemingly intractable notion that women are unelectable The consequences for girls and women are often devastating As Manne shows toxic masculinity is not just the product of a few bad actors we are all implicated

conditioned as we are by the currents of our time With wit and intellectual fierceness she sheds new light on gender and power and offers a vision of a world in which women are just as entitled as men to be cared for believed and valued
