

Dear Financial Aid Office,

I am writing to appeal my financial aid package for the upcoming academic year. Unfortunately, my family has experienced a significant change in our financial circumstances that has affected my ability to pay for college.

In the past year, my father lost his job and has been unable to find steady employment. As a result, our family income has decreased by over 50%. We have also incurred unexpected medical expenses due to my mother's recent hospitalization. These financial hardships have made it difficult for me to cover the cost of tuition and other educational expenses.

I am requesting an additional \$5,000 in financial aid to help cover the cost of tuition, textbooks, and other educational expenses. This funding would allow me to continue my education and pursue my career goals without the burden of excessive debt.

I have attached supporting documentation, including my family's tax returns and medical bills, to provide evidence of our financial hardship. I hope that you will consider my appeal and provide the additional financial aid that I need to continue my education.

Thank you for your time and attention to this matter.

Sincerely,

[Your Name]

mornings you don't even manage to get your hair brushed before taking your kids to school. Have you ever been mom-shamed for something you've done or haven't done for your children? Or have you even unintentionally mom-shamed someone else? Are you tired of the unrealistic expectations of motherhood that is portrayed all over social media? The truth is, momming isn't about having it all figured out. No mom has it all figured out. *Instagram Moms are Full of Sh*t To Hell With Mom Shaming* shows the honest, often chaotic realities of being a mom and knowing that in all the wonderful craziness they are doing a great job. Writing from personal experience and input from other moms, Lesley Prosko, mother of two little ones, takes an in-depth look at some of the most common mom-shaming themes, considering cultural, generational, historical, and parenting style differences, including birth plans, breastfeeding vs. formula, vaccinations, child sleep habits, working mom vs. stay-at-home mom, exercising while pregnant, navigating screen time, and more. Told with insight, humor, and sporadic sarcasm, this practical resource is designed to help real moms stop comparing themselves to other moms who want the world to think that every day is a great one because those moms are full of sh*t.

Courtney Sullivan, 2020-06-30 NEW YORK TIMES BESTSELLER A TODAY SHOW ReadWithJenna BOOK CLUB PICK. An insightful and compulsively readable novel about a complicated friendship between two women who are at two very different stages in life. From the best-selling author of *Maine and Saints for All Occasions*, once again Sullivan has shown herself to be one of the wisest and least pretentious chroniclers of modern life. The Washington Post: Elisabeth, an accomplished journalist and new mother, is struggling to adjust to life in a small town after nearly twenty years in New York City. Alone in the house with her infant son all day and awake with him much of the night, she feels uneasy adrift. She neglects her work, losing untold hours to her Brooklyn moms' Facebook group, her influencer sister's Instagram feed, and text messages with the best friend she never sees anymore. Enter Sam, a senior at the local women's college whom Elisabeth hires to babysit. Sam is struggling to decide between the path she's always planned on and a romantic entanglement that threatens her ambition. She's worried about student loan debt and what the future holds. In short order, they grow close. But when Sam finds an unlikely kindred spirit in Elisabeth's father-in-law, the true differences between the women's lives become starkly revealed, and a betrayal has devastating consequences. A masterful exploration of motherhood, power dynamics, and privilege in its many forms, *Friends and Strangers* reveals how a single year can shape the course of a life.
