The Mosquito Timothy C. Winegard, 2019-08-06 The instant New York Times bestseller An international bestseller Finalist for the Lane Anderson Award Finalist for the RBC Taylor Award Hugely impressive a major work NPR A pioneering and groundbreaking work of narrative nonfiction that offers a dramatic new perspective on the history of humankind showing how through millennia the mosquito has been the single most powerful force in determining humanity's fate Why was gin and tonic the cocktail of choice for British colonists in India and Africa What does Starbucks have to thank for its global domination What has protected the lives of popes for millennia Why did Scotland surrender its sovereignty to England What was George Washington's secret weapon during the American Revolution The answer to all these questions and many more is the mosquito Across our planet since the dawn of humankind this nefarious pest roughly the size and weight of a grape seed
