Motherhood And Feminism Seal Studies:

Motherhood and Feminism Amber E Kinser, 2010-05-04 How does feminism relate to motherhood how has it changed over time and what does the future of motherhood and feminism look like These are just some of the questions Amber E Kinser PhD tackles in this latest addition to the Seal Studies Series Motherhood and Feminism examines the role of feminism within motherhood a topic that has garnered a lot of attention lately as society shifts to adapt to new definitions of these roles and offers insight into the core questions of motherhood what it means to be a good mother what role mothers play in the family and in society and how motherhood has been redefined throughout time Kinser also speculates on the future directions of feminism focusing on the expansion of contemporary mother activism that has occurred in the last 15 years and emphasizing the need for that expansion to continue and examines how the changing world of motherhood fits into feminist activism

Gender and Pentecostal Revivalism Leah Payne, 2015-02-11 This innovative volume provides an interdisciplinary theoretically innovative answer to an enduring question for Pentecostal charismatic Christianities how do women lead churches This study fills this lacuna by examining the leadership and legacy of two architects of the Pentecostal movement Maria Woodworth Etter and Aimee Semple McPherson

Metaphors of Motherhood in Marina Warner's Fiction and Short Fiction Souhir Zekri Masson, 2025-07-24 This volume oversees the fluctuating but close relationship of motherhood studies maternal theory and feminism in Marina Warner's fiction and short stories Originating in Chantal Zabus analysis of the controversial Sycorax and Ariel in Indigo or Mapping the Waters the phrase sisterly continuum has inspired this book's focus on a parallel motherly continuum linking and animating the myriad female characters of the most prolific twentieth and twenty first century British cultural historian and novelist By tracing and analyzing the wide variety of fictional mothers and their maternal practices through the lens of various feminist and maternal theories this book attempts to deconstruct the false binary oppositions of good versus bad mother biological birth versus foster or adoptive mother and most importantly that of motherhood as a patriarchal institution versus mothering as an identity and an experience Thanks to her fictional exploration of the process of becoming a mother whether physically socially or mentally and of becoming a sexually mature adult thanks to mothering Warner's alternatives to conventional aspects of motherhood offer a wide array of maternal metaphors that nuance the concept of mother and traverse the borders of class race and geography As exiled goddesses and witches female academicians and mistresses fight their way through colonialism racism and misogyny their paradoxical status as mothers and ambiguous relationships to their daughters and sons bring an extra layer of meaning to their experiences identities and perspectives

The Maternal in Creative Work Elena Marchevska, Valerie Walkerdine, 2019-12-11 The Maternal in Creative Work examines the interrelation between art creativity and maternal experience inviting international artists theorists and cultural workers to discuss their approaches to the central feminist question of the relation between maternity generation and creativity This edited collection explores various modes and forms

of art practice which look at mothers as subjects and as artists of the maternal experience and how the creative practice is used to accept negotiate resist or challenge traditional conceptions of mothering The book brings together some of the major projects of maternal art from the last two decades and opens up new ways of conceptualizing motherhood as a creative and communicative practice Chapters include intergenerational discussion of art practices in the 20th and 21st centuries representations of breastfeeding and infertility in creative projects the notion of the unfit mother and childlessness together with the experiences of women and men that take on maternal identities through many forms of kinship and social mothering The Maternal in Creative Work will be essential reading for interdisciplinary students and scholars in cultural studies gender studies and art theory and will have wider appeal to audiences interested in maternity childcare creativity and psychoanalysis

Margins Johanna Stiebert, Musa W. Dube, 2018-08-23 There has rarely been an effort to address the missing dialogue between British and African scholars including in regard to the role of British missionaries during the introduction of the Bible and Christianity to many parts of Africa To break this silence Musa W Dube and Johanna Stiebert collect expressions from both emerging and established biblical scholars in the United Kingdom and predominantly southern African states Divided into three sets of papers these contributions range from the injustices of colonialism to postcolonial critical readings of texts suppression and appropriation each section complete with a responding essay Questioning how well UK students understand African-centred and generated approaches of biblical criticism whether African scholars consider UK-centric criticism valid and how accurately the western canon represents current UK-based scholarship these essays illustrate the trends and challenges faced in biblical studies in the two centres of study and discusses how these questions are better answered with dialogue rather than in isolation *The Majestic Place* Wendi Williams, Whitneé Garrett-Walker, Nia Spooner, 2025-02-07 In *The Majestic Place: The Freedom Possible in Black Women's Leadership* editors Wendi S Williams, Whitne L Garrett Walker and Nia Spooner curate the leadership narratives of Black women leaders from a range of contexts including education, health and non-profit industries in which they serve some of the most vulnerable and chronically disserved Focused on the stages of women's intra-personal and spiritual development this book aims to create an expansive vision of Black women's leadership grounded in lived experience Contributors to this book are Black women scholar-practitioners who lead in higher stakes context of serving and cultivating people and change Each was invited to express their leadership experience in essay, poetry and/or prose form to offer a lens into the interiority of Black women's leadership praxis that is not always welcomed or heard *Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines* Ciolăneanu, Roxana, Marinescu, Roxana-Elisabeta, 2020-11-13 Women have been represented in art, literature, music and more for decades with the image of the woman changing through time and across cultures However rarely has a multidisciplinary approach been taken to examine this imagery and challenge and possibly reinterpret old, women-related myths and other taken-for-granted aspects e.g. grammatically inclusive gender Moreover this approach can better place the ideologies as myth-creators and propagators identify and deconstruct stereotypes and prejudices and compare them across cultures with the view to spot universal vs. culturally specific approaches as far as women's studies and interpretations are concerned It is important to gather these perspectives to translate and unveil new interpretations to old ideas about women and the feminine that are universally accepted as absolute impossible to challenge and invalidated truths The *Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines* is a comprehensive reference book that provides an interdisciplinary and multidisciplinary perspective on the perception and reception of women across time and space It tackles various perspectives gender studies linguistic studies literature and cultural studies discourse analysis philosophy anthropology sociology etc Its main objective is to present new approaches and propose new

answers to old questions related to gender inequalities stereotypes and prejudices about women and their place in the world Covering significant themes that include the ethics of embodiment myth of motherhood at the crossroad of ideologies translation of women s experiences and ideas across cultures and discourses on women s rehabilitation and dignification across centuries this book is critical for linguists professionals researchers academicians and students working in the fields of women s studies gender studies cultural studies and literature as well as other related categories such as political studies education studies philosophy and the social sciences *Women Leading Education Across the Continents* Rachel McNae,Elizabeth C. Reilly,2018-09-12 *Women Leading Education Across the Continents* Harnessing the Joy in Leadership is the fifth collection of research from scholars around the globe who seek to understand the successes challenges and progress of girls and women leading in education Using a variety of approaches to their inquiries the scholars and practitioners in this book discover and document the work of women leaders throughout the world seeking to understand in more nuanced ways how to chart a path for a more just society for all This volume explores the status of women in educational leadership internationally the factors that affect their leadership their personal experiences and stories and their work within the broader context of human rights The journey of discovery in these pages invites titiro whakamua looking toward a world for the good of all people Research Anthology on Feminist Studies and Gender Perceptions Management Association, Information Resources,2022-01-21 Global society has always been impacted by the perception of gender While gender roles may differ in certain cultures many cultures around the world have allowed for the disempowerment and objectification of women Women today still struggle for gender equality whether it be professionally socially or even legally To examine feminism thoroughly however thorough analysis must be conducted on all genders and perceptions The Research Anthology on Feminist Studies and Gender Perceptions explores the application of feminist theory and women empowerment in the 21st century and the role that gender plays in society This book analyzes media representation gender performativity and theory to present a comprehensive view of gender and society Covering topics such as masculinity women empowerment and gender equality this two volume comprehensive major reference work is an essential resource for sociologists community leaders human resource managers activists students and professors of higher education researchers and academicians Vikings and the Vikings Paul Hardwick,Kate Lister,2019-11-12 This essay collection is a wide ranging exploration of Vikings the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy From a range of critical viewpoints these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show s richly textured dramatization of the rise and fall of Ragnar Loobrok and the exploits of his heirs creating what many viewers label a true representation of the age From the show s sources in both saga literature and Victorian revival to its engagement with contemporary concerns regarding gender race and identity via setting sex society and more this first book length study of the History Channel series appeals to fans of the show Viking enthusiasts and

anyone with an interest in medievalist representation in the 21st century Mother-Scholar Yvette V. Lapayese, 2012-10-21

Mother Scholar presents another way of knowing The book illuminates the narratives of prominent mother scholars in the discipline of education who are determined to re imagine a different educational space not only for their own children but for all children Today s schools are male centered institutions in which standardized testing rational mind and emotionless space prevent children from realizing their full potential as creative intelligent and soulful beings Mother scholars in the discipline of education assert that when motherhood and intellect confront and inform each other a new thinking emerges to capture the possibility of humanizing education beyond the private relationships between mothers and children **Toni Morrison and Motherhood** Andrea O'Reilly, 2012-02-01

Traces Morrison s theory of African American mothering as it is articulated in her novels essays speeches and interviews Mothering is a central issue for feminist theory and motherhood is also a persistent presence in the work of Toni Morrison Examining Morrison s novels essays speeches and interviews Andrea O Reilly illustrates how Morrison builds upon black women s experiences of and perspectives on motherhood to develop a view of black motherhood that is in terms of both maternal identity and role radically different from motherhood as practiced and prescribed in the dominant culture Motherhood in Morrison s view is fundamentally and profoundly an act of resistance essential and integral to black women s fight against racism and sexism and their ability to achieve well being for themselves and their culture The power of motherhood and the empowerment of mothering are what make possible the better world we seek for ourselves and for our children This argues O Reilly is Morrison s maternal theory a politics of the heart As an advocate of a politics of the heart O Reilly has an acute insight into discerning any threat to the preservation and continuation of traditional African American womanhood and values Above all Toni Morrison and Motherhood based on Andrea O Reilly s methodical research on Morrison s works as well as feminist critical resources proffers a useful basis for understanding Toni Morrison s works It certainly contributes to exploring in detail Morrison s rich and complex works notable from the perspectives of nurturing and sustaining African American maternal tradition African American Review O Reilly boldly reconfigures hegemonic western notions of motherhood while maintaining dialogues across cultural differences Journal of the Association for Research on Mothering Andrea O Reilly examines Morrison s complex presentations of and theories about motherhood with admirable rigor and a refusal to simplify and the result is one of the most penetrating and insightful studies of Morrison yet to appear a book that will prove invaluable to any scholar teacher or reader of Morrison South Atlantic Review it serves as a sort of annotated bibliography of nearly all the major theoretical work on motherhood and on Morrison as an author anyone conducting serious study of either Toni Morrison or motherhood not to mention the combination should read this book O Reilly s exhaustive research her facility with theories of Anglo American and Black feminism and her penetrating analyses of Morrison s works result in a highly useful scholarly read Literary Mama By tracing both the metaphor and literal practice of mothering in Morrison s literary world O Reilly conveys Morrison s vision of

motherhood as an act of resistance American Literature Motherhood is critically important as a recurring theme in Toni Morrison s oeuvre and within black feminist and feminist scholarship An in depth analysis of this central concern is necessary in order to explore the complex disjunction between Morrison s interviews which praise black mothering and the fiction which presents mothers in various destructive and self destructive modes Kudos to Andrea O Reilly for illuminating Morrison s maternal standpoint and helping readers and critics understand this difficult terrain Toni Morrison and Motherhood is also valuable as a resource that addresses and synthesizes a huge body of secondary literature Nancy Gerber author of Portrait of the Mother Artist Class and Creativity in Contemporary American Fiction In addition to presenting a penetrating and original reading of Toni Morrison O Reilly integrates the evolving scholarship on motherhood in dominant and minority cultures in a review that is both a composite of commonalities and a clear representation of differences Elizabeth Bourque Johnson University of Minnesota Andrea O Reilly is Associate Professor in the School of Women s Studies at York University and President of the Association for Research on Mothering She is the author and editor of several books on mothering including with Sharon Abbey Mothers and Daughters Connection Empowerment and Transformation and Mothers and Sons Feminism Masculinity and the Struggle to Raise Our Sons

Not My Mother's Sister Astrid Henry, 2004-09-07 No matter how wise a mother s advice is we listen to our peers At least that s writer Naomi Wolf s take on the differences between her generation of feminists the third wave and the feminists who came before her and developed in the late 60s and 70s the second wave In *Not My Mother s Sister* Astrid Henry agrees with Wolf that this has been the case with American feminism but says there are problems inherent in drawing generational lines Henry begins by examining texts written by women in the second wave and illustrates how that generation identified with yet also disassociated itself from its feminist foremothers Younger feminists now claim the movement as their own by distancing themselves from the past By focusing on feminism s debates about sexuality they are able to reject the so called victim feminism of Catherine MacKinnon and Andrea Dworkin Rejecting the orthodoxies of the second wave younger feminists celebrate a woman s right to pleasure Henry asserts however that by ignoring diverse older voices the new generation has oversimplified generational conflict and has underestimated the contributions of earlier feminists to women s rights They have focused on issues relating to personal identity at the expense of collective political action Just as writers like Wolf Katie Roiphe and Rene Denfeld celebrate a new feminist hetero sexuality posited in generational terms queer and lesbian feminists of the third wave similarly distance themselves from those who came before Henry shows how 1970s lesbian feminism is represented in ways that are remarkably similar to the puritanical portrait of feminism offered by straight third wavers She concludes by examining the central role played by feminists of color in the development of third wave feminism Indeed the term third wave itself was coined by Rebecca Walker daughter of Alice Walker *Not My Mother s Sister* is an important contribution to the exchange of ideas among feminists of all ages and persuasions
