The NHL D'Arcy Jenish, 2013-10-29 The National Hockey League born in a Montreal hotel room on November 26 1917 has much to celebrate as it approaches its centenary Millions of fans from Montreal to Miami and Edmonton to Anaheim attend NHL games each year millions more watch on TV and the league pays its best players multi million annual salaries Over the course of its first century the NHL's fortunes have ebbed and flowed It has experienced setbacks and triumphs and innumerable crises The league has awarded many franchises only to see some of them falter fail and fold The board of governors which has included rich eccentrics and at least one future convict has sometimes been fractured by men who loathed each other How on earth has the NHL survived The answer lies in the remarkable fact that it has had only five presidents and one commissioner Two of these chiefs were stop gaps For the balance of league's ninety plus years four men have shaped and guided its fortunes and controlled the tough hard nosed sometimes unruly owners who constituted the board of governors This is the story of two perpetual struggles the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat D'Arcy Jenish was granted unprecedented access to previously unpublished league files including revelatory minutes of board meetings and conducted dozens of hours of interviews with league executives including commissioner Gary Bettman and former president John Ziegler as well as owners coaches general managers and player representatives He now reveals for the first time the true story behind some of the most significant events of the contemporary era This is a definitive revelatory chronicle that no serious hockey fan will want to be without *When the NHL Invaded Japan* Steve Currier, 2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world **Deceptions and Doublecross** Morey Holzman, Joseph Nieforth, 2002-10-01 Hockey lovers will be fascinated by the truth about how the National Hockey League was founded and how through less than savory means it captured permanent possession of the Stanley Cup Deceptions and Doublecross begins with the 1917 conspiracy among a Montreal contingent of the National Hockey Association to oust Toronto owner Edward James Livingstone from the league The result was the transformation of the NHA into the NHL with Frank Calder as president leaving Livingstone out in the cold Under Calder's iron fisted direction the NHL became the only major hockey

league in North America and gained exclusive claim to the Stanley Cup

The Down Goes Brown History of the NHL Sean McIndoe, 2018-10-30 Sean McIndoe of Down Goes Brown one of hockey's favourite and funniest writers takes aim at the game's most memorable moments especially if they're memorable for the wrong reasons in this warts and all history of the NHL. The NHL is indisputably weird. One moment you're in awe of the speed, skill and intensity that define the sport shaking your head as a player makes an impossible play or shatters a longstanding record or sobs into his first Stanley Cup. The next everyone's wearing earmuffs. Mr Rogers has shown up and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went. That's just life in the NHL, a league that often can't seem to get out of its own way. No matter how long you've been a hockey fan, you know that sinking feeling that maybe just maybe some of the people in charge here don't actually know what they're doing. And at some point you've probably wondered: Has it always been this way? The short answer is yes. As for the longer answer, well, that's this book. In this fun, irreverent and fact-filled history, Sean McIndoe relates the flip side to the National Hockey League's storied past. His obsessively detailed memory combines with his keen sense for the absurdities that make you shake your head at the league and yet fanatically love the game, allowing you to laugh even when your team is the butt of the joke. And as a life-long Leafs fan, McIndoe takes the brunt of some of his own best zingers. *The Down Goes Brown History of the NHL* is the weird and wonderful league's story told as only Sean McIndoe can.

Five Overtimes John G. Robertson, Carl T. Madden, 2024-06-06 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport's scholarly fans. However, one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens. It provided something never seen before in the history of the NHL and has not been seen since: every one of the five games required a dramatic sudden death overtime period to determine a winner. This book takes an in-depth look at this exciting conclusion to the 1950-51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210 game regular season featuring many amusing anecdotes. As an added bonus, a special chapter discusses the short life, baffling disappearance and untimely death of Toronto defenseman Bill Barilko just four months after he notched the Cup-winning tally in April. Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal.

Hockey in New Haven Heather Bernardi, Kevin Tennyson, 2007 New Haven professional hockey has a long and storied history that dates back to 1926 when the Eagles were an inaugural team in the Canadian American Hockey League. Nine professional ice hockey teams have called New Haven home, first in the New Haven Arena and later in the New Haven Veterans Memorial Coliseum. Sadly, New Haven's long run in professional hockey ended after the 2001-2002 season. There were many talented players over the years, including Frank Beisler, Emile Francis, Don Perry, Ron Rohmer, John Brophy, Chico Resch, Tom Colley, Frank Never, Beaton, Hubie McDonough, Peter Worrell and Glenn Stewart. Hockey in New Haven is the story of the players
