book which includes educational research as well as practical suggestions for improving the tour experience including an integration of academic subjects Although much has been written about the impact of international travel this book explores ways educators can transform domestic tours for public and parochial school students The second part of the book offers resource guides for four cities Washington D C New York Philadelphia and Boston Teachers tour directors and tour operators will find discussion questions activities as well as detailed background information for four of the most visited cities by students Many of the questions and strategies can be adapted for other landscapes

A Systematic Guide to Leadership Selection Using Total Quality Management Techniques Luis Rabelo, Charles W. Davis, Jr., Ahmed Elattar, Hamed M. Almalki, 2022-12-26 The old cliché states that not every manager is a leader but the more important part of that sentiment is that to be a good manager one has to be a good leader This perception is because good managers do more than manage They have to lead by inspiration they have to lead by example and they have to lead through the best times for their organizations as well as the absolute worst times A Systematic Guide to Leadership Selection Using Total Quality Management Techniques identifies the application gap and presents a methodology based on Total Quality Management TQM to support the guidance of a process to select leadership at any level of the organization A modification to the House of Quality and a product of the Massachusetts Institute of Technology is presented and discussed as the core of a leader selection process Two case studies are used to reinforce the concepts and applications Finally the book introduces some experiments for leadership development using virtual worlds and ends with a note for the future using the metaverse and digital twins for leadership The book is intended for professionals and executives wanting to learn more about leader selection engineering and business students directors of human resources and researchers in the field of leadership
