New Light On Alcoholism God Sam Shoemaker And Aa 2d Ed:

New Light on Alcoholism Dick B.,1999 Dick B is a writer historian Bible student retired attorney and active recovered member of A A He and his son Ken devoted many years to researching the role life writings and contributions of Rev Samuel M Shoemaker to Alcoholics Anonymous The quest took Dick B to Shoemaker s churches in Pittsburgh and New York to the Episcopal Church Archives in Austin Texas to Hartford Seminary to Princeton University and to the family and friends of this great Episcopal rector and preacher In all Dick B has published 33 books on the history of early A A **God and Alcoholism** Dick B.,2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century **Cured** Dick B.,2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored **By the Power of God** Dick B.,2000 Ever since Dick B began publishing titles on the biblical roots and successes of early AAs hundreds and hundreds have contacted him asking how they might form groups today with principles and practices like those of the early Akron A A Christian Fellowship This book provides the details of the early program and how and why AAs and 12 Steppers can use the same program today in groups and meetings of their own choosing *The Golden Text of A.A.* Dick B.,1999 Dick B is regarded as the leading historian of A A today He is a retired attorney Bible student and recovered AA who has sponsored over 100 men in recovery He has published 33 titles on the history of early A A s spiritual roots and successes He frequently speaks before recovery audiences throughout the United States **Changed by Grace** Glenn Chesnut,2006-08-27 Victor C Kitchen was a New York City advertising executive who wrote one of the Oxford Group s most important books He also went to the same Oxford Group meetings as Bill Wilson who later became the co founder of Alcoholics Anonymous This is a book about A A s roots in the Oxford Group as seen through the pages of Kitchen s work It explains how the key ideas which the two movements shared arose out of the evolution of the modern evangelical movement The author begins with John Wesley s Aldersgate experience in 1738 and traces this understanding of the healing power of grace down to Kitchen s and Bill W s time traversing en route the world of nineteenth century revivalism the Keswick holiness movement and the early twentieth century foreign missionary effort The great theme around which all of this is centered is that of God s grace as the power to change human character itself This book shows what faith and grace are really about It shows how even faith mixed with doubt can lead us into true spiritual awakening and it explains the basic nuts and bolts required to obtain a constant conscious contact with a God of our understanding Each century produces a small handful of great spiritual books I believe strongly that Changed by Grace is going to prove one of

the greatest of our present century The best way to describe it is to say that it does for us today what William James Varieties of Religious Experience did for the world of a hundred years ago John Barleycorn in The Waynedale News Utilizing Early A.A.'s Spiritual Roots for Recovery Today Dick B.,1999 Dick B is a writer historian Bible student retired attorney and recovered AA who has sponsored more than 100 men in their recovery and is actively involved in the fellowship He has devoted 18 years to researching reporting publishing and disseminating materials on the spiritual roots of Alcoholics Anonymous He is regarded as the leading historian on A A history today and has published 33 titles on the subject **Why Early A.A. Succeeded** Dick B,2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will

point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes The James Club and the Original A. A. Programs Absolute Essentials Dick B.,2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for

healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World The First Nationwide Alcoholics Anonymous History Conference Dick B.,2006 Dick B is a writer historian Bible student retired attorney and recovered AA He is active in the fellowship and has sponsored more than 100 men in their recovery He has devoted 18 years to investigating researching analyzing and disseminating the facts about early A A origins roots history principles and practices He has published 33 titles and more than 170 articles on the subject and frequently speaks within and outside the fellowship He is the leading A A early history scholar The Good Book and the Big Book Dick B.,1997 In addition to being a recovered alcoholic Dick B has been an ardent Bible student especially for the last 22 years of his recovery It was always his objective to learn the Biblical roots of A A of which A A Cofounder Dr Bob spoke so often Dick wanted to locate and define those roots And after many years of digging he was able to write this first of several books on A A s roots in the Bible the Book of James the Sermon on the Mount and 1 Corinthians 13 Each year of continued research has unearthed more and more facts about early AA and the Bible And the facts begin with this Good Book work *The Conversion Of Bill W.* Dick B.,2006 This is a book unlike any of the many recent biographies of A A co founder William Griffith Wilson known as Bill W It is filled with information about Bill s religious education experiences and beliefs from childhood forward Thus Bill s knowledge of his grandfather Willie s conversion on Mount Aeolus and deliverance from alcoholism the involvement of Bill s grandparents the Wilsons and the Griffiths in the life of the little East Congregational Church on the lawn between the two families houses the reading of the Bible by Bill s grandfather Fayette Griffith and by Bill and his boyhood friend Mark Bill s attendance at the Congregational Sunday School and his attendance at Temperance of revival meetings his five yes five self described spiritual experiences including his decision for Christ at Calvary Rescue Mission and his hot flash conversion experience at Towns Hospital his conversations with his famous doctor William D Silkworth about the Great Physician Jesus Christ and cure of alcoholism through Christ Bill s extensive involvement with the Oxford Group and particularly Rev Sam Shoemaker and Bill s intensive involvement in prayer Bible study the use of devotionals and seeking of guidance with Dr Bob and Anne Smith at the Smith Home in Akron particularly in the summer of 1935 All these and more are told in this exciting and little known story about Wilson and God Was Bill converted to Christ Did Bill believe in the Creator Did the Creator have an impact on Alcoholics Anonymous through Bill Wilson Did the Hand of the Creator touch the lives of Wilson and of the A A Fellowship Your most detailed questions and the answers about these subject have never been addressed by A A historians in any depth But A A historian and writer Bible student retired attorney and recovered AA Dick B presents this his thirtieth published title as a crowning historical piece on A A church religion God Jesus Christ and the Bible as they really existed at and before the

founding of Alcoholics Anonymous on June 10 1935 **Stick with the Winners!** Dick B, Ken B., 2012-07-27 Ever heard You can't talk about Jesus or the Bible at an A A meeting Want to establish or modify an A A meeting or a Christian Recovery meeting so that it can include information on the roles played by God His Son Jesus Christ and the Bible in early A A s astonishing successes Stick with the Winners by Dick B and Ken B may be just what you need to carry the message more effectively *The Books Early AAs Read for Spiritual Growth* Dick B., 1998 The most exhaustive bibliography with brief summaries of all the books known to have been read and recommended for spiritual growth by early AAs in Akron and on the East Coast The Akron Genesis of Alcoholics Anonymous Dick B., 2011-12-06 The story of A A s birth at Dr Bob s Home in Akron on June 10 1935 It tells what early AAs did in their meetings homes and hospital visits what they read and how their ideas developed from the Bible the Oxford Group and Christian literature It depicts the roles of A A founders and their wives and of Henrietta Seiberling and T Henry Clarace Williams Foreword by John F Seiberling *The Good Book - Big Book Guide Book* Dick B., 2011-07-26 You don't need to leave A A or any other 12 Step program or even a treatment program just because you are a Christian Nor do you need to flee to an exclusively Christian Fellowship Christian Treatment Program or Christian Track Program just to believe or profess your beliefs in connection with your own recovery You're the boss You need all the help you can get We've long needed a guide that will use history to help you in your recovery whatever your choice of fellowships groups recovery programs or treatment programs The original Akron A A Christian fellowship with its emphasis on reliance on the Creator of the heavens and the earth acceptance of Jesus Christ as Lord and Savior Bible study prayer guidance fellowship and witness is nothing to be buried to be hushed up or to be afraid of mentioning It's a part of recovery history the most important part the part that set A A apart in the 1930 s as a cure for the medically incurable an alternative to medicine hospitalization and clergy dominated ideas It embraced them all but stood for the importance of a Society that took these ideas and let drunks be the message carriers You can do this too and probably better if you know your history Include this guide book in your reading Include it in your recovery Include it in your fellowship or group Include it with any other recovery program secular Christian or rational It's history It tells you what worked It tells you how you can choose to use it today if you wish It will help you understand words and phrases and ideas that came from historical roots And it doesn't bash other ideas or fellowships It seeks to inform all and urge them to include history in their curriculum This is a guide to history that has not been available before It's a guide that will supplement and not replace It's a guide for you That Amazing Grace Dick B., 1996 Dick B as A A s leading historian is particularly qualified to write on this Clarence Snyder subject First he read the Clarence Snyder materials Second he met a number of Snyder sponsees at the Snyder spiritual retreats where he was invited to speak Third he worked with and partially edited the How It Worked book by Clarence Snyder sponsee Mitch K Fourth Dick and his son spent a week with Clarence s widow Grace gathering information about Clarence Grace and A A Finally Dick was later asked by three old timer Clarence Snyder sponsees to compile and edit

their A A Legacy based on Snyder s teachings techniques beliefs and their successes Dick has published 33 history titles in all to date Making Known the Biblical History and Roots of Alcoholics Anonymous Dick B.,2006 One of a kind bibliography research and history resource containing explicit information about author Dick B s 16 years of research 1 Collecting over 25 000 books and materials on the roots of A A 2 Using them in the publication of his 26 titles more than 120 articles and over 30 audio talks 3 Describing where he went for the history where it is located who was interviewed and what it contains 4 It lists titles Dick used in his writing all of the background titles involved in A A s use of the Bible Quiet Time Oxford Group life changing program Anne Smith s Journal Rev Sam Shoemaker s teachings religious literature AAs read the United Christian Endeavor Movement Carl Jung William James William D Silkworth Richard Peabody Emmet Fox and many other New Thought influences 5 It lists all the books in A A founder Dr Bob s library and collections a list found nowhere else 6 It contains manuscripts from archives and libraries and personal collections all over the U S and England 7 There is a huge collection of temperance books and literature described 8 Topical books by A A about A A about alcoholism about spirituality about the Bible religion and clergy 9 Included are records of Dick s notes and interviews 10 Almost this entire collection of materials has been donated to and can now be found and studied at Griffith Library which is part of The Wilson House birthplace of Bill W in East Dorset Vermont Taken together this reference volume and the actual materials in the Griffith Library constitute the largest and most complete record of early A A historical materials in the world today other than the Library of Congress items **Rethinking Excessive Habits and Addictive Behaviors** Tony Bevacqua,2015-07-02 Twelve step programs are the foundation of conventional thinking and treatment for people with addictive behaviors But are they truly the best Here Tony Bevacqua explains why these one size fits all approaches are not appropriate for everyone since each person is a unique human being This book takes a humanistic perspective that offers guidance for sufferers their families and friends practitioners and anyone interested in understanding the nature of addictive behaviors What do we know about addictive behavior and mental health Bevacqua maintains our common perceptions are loaded with outdated emotionally charged and deficit based vocabulary Words like addiction addict alcoholic denial recovery clean and others have become absorbed into our vocabulary but conjure up the worst case descriptions of undesirable behavior These labels are generalized to all behaviors and to all people regardless of the details of their specific circumstances By rethinking and changing the language new learning can take place and new approaches to treatment can emerge While biology may play a role in addiction the author argues that the disease model strips sufferers of their ability to see their issues as within their control to address Understanding the role of learning and behavior allows people to redefine addiction in terms of their own personal circumstances allowing that the brain is an organ of social adaptation and is constantly able to wire and rewire itself through enriched environments and new learning Bevacqua proposes a language that also supports an individual with kindness compassion and empathy and suggests ways in which this new perspective and approach can help individuals
