

New Stephen King

Lorna Piatti-Farnell

New Stephen King :

Stephen King in the New Millennium Despoina N. Feleki, 2018-06-11 This exciting exploration of Stephen King's digital writing maneuvers and electronic ventures on online platforms and e readers unravels the author's latest writing techniques and justifies his unprecedented success in the new millennium. It investigates the latest additions to the Master of Horror's toolbox by studying King's media presence and writing oeuvre in the twenty-first century through online projects such as his videogame *Discordia*. The book closely traces King's shifts from print to the digital as he crafts his stories to share with his constant readers. Its examination of King's re-vitalized Gothic sheds light on his shift towards new realizations that take into consideration the needs and tastes of the contemporary consuming public in a constant dialogue with their contemporary fears and anxieties. While exploring King's literary generic and technological crossovers, the book stresses the need for an encompassing theory that takes into account literary tradition, norms and motifs adjusted according to the materialities and technological specificities of each medium in specific socio-cultural and economic contexts.

Stephen King Bev Vincent, 2022-09-13 Take an intimate tour through the life and works of Stephen King, made vivid with rare photos and ephemera from King's personal collection. Even if you are a die-hard fan, you will find something new in this beautifully packaged Stephen King reference that you will return to again and again. Timed to celebrate Stephen King's 75th birthday on September 21, 2022, *Stephen King: A Complete Exploration of His Work, Life and Influences* reveals the inspiration behind the prolific author's brilliant works of horror through a combination of photos and documents from King's archives and an engaging account of the stories behind how his novels, novellas, short stories, and adaptations came to be. It might sound like a tall tale that Stephen King once met a bartender named Grady in an empty hotel in Colorado or that the celebrated author helped his young daughter bury her cat in a nearby pet cemetery after it was killed on a busy roadway. In this book, discover how King drew on these and more real personal experiences and mundane life events, then employed his extraordinary imagination to twist them into something horrific. From impoverished university student to struggling schoolteacher to one of the best-selling and most recognizable authors of all time, this engrossing book reveals the evolution and influences of Stephen King's body of work over his nearly 50-year career and how the themes of his writing reflect the changing times and events within his life. An expansion of Stephen King expert Bev Vincent's *The Stephen King Illustrated Companion*, this fully revised, redesigned, and updated book includes a review of King's complete body of work, including *Fairy Tale*, published in September 2022. A wealth of rare memorabilia from King's own collection, including personal and professional correspondences, handwritten manuscript pages, book covers, movie stills, and never-before-seen excerpts from one of his poems and an unpublished short story, *Interludes*, on specific topics such as real-life settings that inspired King's writing, the editor who discovered him, his life as a Boston Red Sox fan, and the many awards and honors he has received. Insightful quotes from King from interviews over the decades. Celebrate the beloved King of Horror with this informational and

entertaining look inside King's most iconic titles and the culture they have created **Stephen King** Rebecca Stefoff, Carmen Bredeson, 2000-01-01 A biography of writer Stephen King that describes his era, major works and life

Adapting Stephen King Joseph Maddrey, 2023-08-04 Stephen King's fiction has formed the basis of more motion picture adaptations than any other living author. His earliest short stories collected in the *Night Shift* anthology have been adapted into hit features including *Creepshow*, *Children of the Corn*, *Cat's Eye*, *Maximum Overdrive*, *Graveyard Shift*, *Sometimes They Come Back*, and *The Mangler*. Through his Dollar Baby program, King licensed several *Night Shift* stories to aspiring filmmakers for just one dollar each, resulting in numerous student film adaptations. This book critically examines and contextualizes adaptations of the *Night Shift* short stories from big box office features to relatively unknown student films. It illuminates how each film is a uniquely and intricately collaborative endeavor and charts the development of each adaptation from first option to final cut. Through old and new interviews with the creators, the work explores how filmmakers continue to reinvent, reimagine, remake, and reboot King's stories. *Stephen King's Maine* Sharon Kitchens, 2024-05-20 Much of Western Maine reads like a Stephen King novel. The dense dark woods and backcountry ponds. The century-old houses with gravel driveways and immense flower gardens. Acres of farmland miles from a highway. Serpentine country roads dotted with farmstands and picturesque main streets lined with battered pickups. Places where, especially during the dark and rainy days of October and November, things can get downright spooky. Author Sharon Kitchens identifies the locations that serve as the basis for King's fictional towns of Castle Rock, Jerusalem's Lot, Derry, and Haven. Drawing on historical materials and conversations with locals and people who know King, the author sheds light on daily life in places that would become the settings for *Carrie*, *Salem's Lot*, *The Dead Zone*, *Cujo*, *IT*, and *11/22/63*. **Stephen King and the Uncanny Imaginary** Erin Mercer, 2023-08-25 Offering an insightful examination of Stephen King's fiction, this book utilizes a psychoanalytical approach, drawing on Freud's theory of the uncanny. It demonstrates how entrenched King's work is in a literary tradition influenced by psychoanalytic theory as well as the ways that King evades and amends Freud. Such an approach positions King's texts not simply as objects of interpretation that might yield latent meaning but as producers of meaning. King can certainly be read through the lens of the uncanny, but this book also aims to consider the uncanny through the lens of King. Organized around specific elements of the uncanny that can be found in King's fiction, this book explores the themes of death and the return of the dead, monstrosity, telepathy, inanimate objects becoming menacingly animate, and spooky children. Popular texts are considered, such as *IT*, *The Shining*, and *Pet Sematary*, as well as less-discussed work including *The Institute*, *The Regulators*, and *Desperation*. The book's central argument is that King's uncanny motifs offer insightful commentary on what is repressed in contemporary culture and insist on the failure of scientific rationalism to explain the world. King's uncanny imaginary rejects dualistic notions of an experiencing self in an inert physical world and insists that psychic experience is bound up with the environmental. This book will be of interest to students and scholars of contemporary and popular literature, gothic

and horror studies and cultural studies Full Dark, No Stars Stephen King, 2010-11-09 From the 1 New York Times bestselling author Stephen King four disturbing fascinating The Washington Post novellas including the story 1922 a Netflix original film that explore the dark side of human nature The pages practically turn themselves USA TODAY in Full Dark No Stars an unforgettable collection centered around the theme of retribution In 1922 a violence awakens inside a man when his wife proposes selling off the family homestead setting in motion a grisly train of murder and madness In Big Driver a mystery writer is brutally assaulted by a stranger along a Massachusetts back road and plots a revenge that will bring her face to face with another stranger the one inside herself In Fair Extension making a deal with the devil not only saves a man from terminal illness but also provides rich recompense for a lifetime of resentment In A Good Marriage the trust forged by more than twenty years of matrimony is irrevocably shattered when a woman makes a chance discovery leading to the horrifying implications of just who her husband really is Like Different Seasons and Four Past Midnight which generated such enduring hit films as The Shawshank Redemption and Stand by Me King's Full Dark No Stars is a page turner The New York Times as gripping as his epic novels St Louis Post Dispatch and an extraordinary collection thrillingly merciless and a career high point The Telegraph UK **A Brief Guide to Stephen King** Paul Simpson, 2014-03-20 2014 marks the 40th anniversary of the publication of Stephen King's first novel Carrie in April 1974 Rescued from the rubbish by his wife Tabitha the novel launched the Maine schoolteacher on a prolific and extraordinarily successful career His name has become synonymous with horror and suspense through over fifty works including The Dark Tower a retelling of Byron's Childe Harold to the Dark Tower Came Simpson traces the writer's life from his difficult childhood his father went out to the shops and never came back through his initial books under the pseudonym Richard Bachman to the success of Carrie Salem's Lot and The Shining in the 1970s and beyond He examines how King's writing was affected by the accident that nearly killed him in 1999 and how his battles with alcohol and addiction to medication have been reflected in his stories The guide will also take a look at the very many adaptations of King's work in movies on television and radio and in comic books **The Body** Stephen King, 2018-06-05 1 New York Times bestselling author Stephen King's timeless novella The Body originally published in his short story collection Different Seasons and adapted into the film classic Stand by Me is now available as a stand alone publication It's 1960 in the fictional town of Castle Rock Maine Ray Brower a boy from a nearby town has disappeared and twelve year old Gordie Lachance and his three friends set out on a quest to find his body along the railroad tracks During the course of their journey Gordie Chris Chambers Teddy Duchamp and Vern Tessio come to terms with death and the harsh truths of growing up in a small factory town that doesn't offer much in the way of a future A timeless exploration of the loneliness and isolation of young adulthood Stephen King's The Body is an iconic unforgettable coming of age story

Theorizing Stephen King Michael Blouin, 2025-10-01 Readers of all stripes will find something to appreciate in this collection which illuminates how King's horror literature as a media form has shifted in relation to cultural understandings

over time Many chapters touch upon how surrounding texts such as film TV adaptations have played into these mediations throughout King s storied career For the first time reader of King this volume offers a doorway into his works an array of exciting critical frameworks with which to make sense of King s fictional universe For literary critics this volume argues that King s corpus remains a site for robust intellectual inquiry And for all of us the book provides an occasion one that is long overdue to rethink King s relationship to critical theory as well as his legacy as a major American author While it may prove impossible to reconcile King and the academy we might nonetheless explore the evolution of their inescapable bond in hopes of negotiating a greater understanding between them

The Institute Stephen King,2019-09-10 From 1 New York Times bestselling author Stephen King whose storytelling transcends genre Newsday comes another winner creepy and touching and horrifyingly believable The Boston Globe about a group of kids confronting evil In the middle of the night in a house on a quiet street in suburban Minneapolis intruders silently murder Luke Ellis s parents and load him into a black SUV The operation takes less than two minutes Luke will wake up at The Institute in a room that looks just like his own except there s no window And outside his door are other doors behind which are other kids with special talents telekinesis and telepathy who got to this place the same way Luke did Kalisha Nick George Iris and ten year old Avery Dixon They are all in Front Half Others Luke learns graduated to Back Half like the roach motel Kalisha says You check in but you don t check out In this most sinister of institutions the director Mrs Sigsby and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts There are no scruples here If you go along you get tokens for the vending machines If you don t punishment is brutal As each new victim disappears to Back Half Luke becomes more and more desperate to get out and get help But no one has ever escaped from the Institute As psychically terrifying as Firestarter and with the spectacular kid power of It The Institute is first rate entertainment that has something important to say We all need to listen The Washington Post

Children and Childhood in the Works of Stephen King Debbie Olson,2020-10-06 This unique and timely collection examines childhood and the child character throughout Stephen King s works from his early novels and short stories through film adaptations to his most recent publications King s use of child characters within the framework of horror or of horrific childhood raises questions about adult expectations of children childhood the American family child agency and the nature of fear and terror for or by children The ways in which King presents complicates challenges or terrorizes children and notions of childhood provide a unique lens through which to examine American culture including both adult and social anxieties about children and childhood across the decades of King s works

Stephen King, American Master Stephen Spignesi,2018-10-30 Fascinating facts trivia and little known details about the Master of the Macabre s life from the world s leading authority on Stephen King Entertainment Weekly New York Times bestselling author Stephen Spignesi has compiled interviews essays and loads of facts and details about all of Stephen King s work into this fun and informative compendium for the author s many fans from the casual to the fanatical Did you know In his early teens Stephen King sold typed copies of

his short stories at school King originally thought his novel *Pet Sematary* was too frightening to publish King's legendary *Dark Tower* series took him more than 30 years to write *Thinner* was the novel that revealed his Richard Bachman pseudonym to the world King wrote *The Eyes of the Dragon* for his daughter Naomi He has never liked Stanley Kubrick's film version of his novel *The Shining* It took him four years to write what some consider his magnum opus *IT* The 2017 film version of *IT* has grossed more than 700 million worldwide In addition to novels King has written essays plays screenplays and even poetry

Gothic Afterlives Lorna Piatti-Farnell, 2019-09-13 *Gothic Afterlives* examines the intersecting dimensions of contemporary Gothic horror and remakes scholarship bringing together innovative perspectives from different areas of study The research compiled in this collection covers a wide range of examples including not only literature but also film television video games and digital media remakes *Gothic Afterlives* signals the cultural and conceptual impact of Gothic horror on transmedia production with a focus on reimagining and remaking While diverse in content and approach all chapters pivot on two important points first they reflect some of the core preoccupations of Gothic horror by subverting cultural and social certainties about notions such as the body technology consumption human nature digitalization scientific experimentation national identity memory and gender and by challenging the boundaries between human and inhuman self and Other and good and evil Second and perhaps most important all chapters in the collection collectively show what happens when well known Gothic horror narratives are adapted and remade into different contexts highlighting the implications of the mode shifting registers platforms and chronologies in the process As a collection *Gothic Afterlives* hones in on contemporary sociocultural experiences and identities as they appear in contemporary popular culture and in the stories told and retold in the twenty first century

Excavating Stephen King James Arthur Anderson, 2020-10-28 *Excavating Stephen King* A Darwinist Hermeneutic Study of the Fiction combines approaches from science and literary theory to examine the canon of Stephen King's fiction work in a single critical study James Arthur Anderson has devised the concept of Darwinist Hermeneutics as a critical tool to combine evolutionary psychology neuroscience biology and literary Darwinism with other more conventional critical theory including structuralism narratology semiotics and linguistic analysis Using this theory Anderson examines King's works in terms of archetypes and mythology human universals affective emotions and the organization of story to create maximum suspense This method brings new insights into King's stories and broader implications for storytelling as a whole

A Dark Night's Dreaming Tony Magistrale, Michael A. Morrison, 1996 *A Dark Night's Dreaming* opens by defining the shape of horror fiction today illuminating the genre's narrative themes psychological and social contexts and historical development The core of the volume focuses on the lives and major works of the six who have dramatically shaped the genre William Peter Blatty Thomas Harris Stephen King Anne Rice Peter Straub and Whitley Strieber A final chapter analyzes the complex relationship between horror fiction and its adaptation to film Looking beyond the tormented maidens madmen monsters and other archetypes of the genre these critics differentiate

contemporary Gothic fiction from that of earlier generations while demonstrating that horror remains one of the most important and consistent strains connecting the diverse elements of the American literary tradition They comment on the genre's enormous popularity and undeniable influence in American society and scrutinize its changing representations of women monsters and gore The volume concludes with an extensive bibliography of primary and secondary works

A Companion to American Gothic Charles L. Crow, 2013-09-10 *A Companion to American Gothic* features a collection of original essays that explore America's gothic literary tradition The largest collection of essays in the field of American Gothic Contributions from a wide variety of scholars from around the world The most complete coverage of theory major authors popular culture and non print media available

Religion, Culture, and the Monstrous Joseph P. Laycock, Natasha L. Mikles, 2021-02-15 *Religion Culture and the Monstrous* Of Gods and Monsters explores the intersection of the emerging field of monster theory within religious studies With case studies from ancient Mesopotamia to contemporary valleys of the Himalayas to ghost tours in Savannah Georgia the volume examines the variegated nature of the monstrous as well as the cultural functions of monsters in shaping how we see the world and ourselves In this the authors constructively assess the state of the two fields of monster theory and religious studies and propose new directions in how these fields can inform each other The case studies included illuminate the ways in which monsters reinforce the categories through which a given culture sees the world At the same time the volume points to how monsters appear to question disrupt or challenge those categories creating an unsettling or surplus of meaning

The Palgrave Handbook of the Vampire Simon Bacon, 2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides

coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story
