REVIEWING 2013 New World Translation of Jehovah's Witnesses Edward D. Andrews, 2018-01-28 REVIEWING 2013 New World Translation of Jehovah's Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offense it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism

EVALUATING THE NEW WORLD TRANSLATION Edward D. Scripture Twisting James W. Sire, 2009-09-20 How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it With new religious cults springing up almost daily and old ones growing rapidly this is more and more common How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years James Sire author of *The Universe Next Door* and *How to Read Slowly* has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible He covers the full range from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view Sire also handles twisted translation overspecification virtue by association ignoring the context and other flawed interpretations A book to help us all become better readers of the Scriptures

James Penton,1997-01-01 M James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide This second edition features an afterword by the author and an expanded bibliography *Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp,2011-12-13 Its the Christmas seasonthe most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement

or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall, two Latter-day Saint Mormon missionaries, the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ, the Community of Christ, RLDS, Seventh-day Adventists, and Oneness Pentecostals, not to mention skeptics, atheists, and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on Cults, and specifically targeting the Jehovah's Witnesses and Mormons, a confrontation is ensured where theological and biblical concepts collide in a public forum. Who, if anyone, really has the Truth? Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions. Readers of the authors' earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book.

The Bible's Answers to 100 of Life's Biggest Questions Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God, the Bible, Jesus, and the purpose and meaning of life. The vexing problem is that so few believers are able to answer even the most basic ones. Without answers, doubt creeps in, and the future of the church is in jeopardy. With insight and precision, Geisler and Jimenez address one hundred penetrating questions that the culture asks, and Christians must be prepared to answer, including both controversial questions raging in the public sphere and personal questions about family issues, the purpose and meaning of life, and the future of the world. Christians from every walk of life, especially young believers, youth workers, and parents, will treasure this comprehensive resource. Foreword by Josh and Sean McDowell.

[When Dinosaurs Fall](#) Orlando Rodriguez, 2020-02-17 I was born into the religion of Jehovah's Witnesses and was raised by my forebears with the single-minded goal to be baptized in the name of the Lord Jehovah. Lucky me! There was a problem with this monomaniacal plan: I was an atheist as far back as I could remember. Before I continue, I'd like to make the following requisite statement, which I think is very important to articulate: I promised myself that I did not want to make another Jehovah's Witness-bashing book. There are plenty of those available. I try to convey the intentional internal conflict that is nourished in the congregation and the ideologies used as brainwashing you to accept the truth. It is important to note that the Jehovah's Witnesses are a cult, just like every other religion, but there is some real danger to this unusual sect of Christianity. You will be called to sacrifice your child's life to God if they require a blood transfusion to save their life. You will be forced into not pursuing higher education, the sole purpose of your existence to preach the Good News. Women are to be submissive to male counterparts at all times. I can truly say that this is not the religion you should be looking at if you want answers to life's
