Lange,2024-12-17 Encouragement can come in many forms from believers to other believers It can also have an amazing effect on folks we barely know It doesn t cost much it can be given freely without qualification and it may very well change a person s direction in life Many have trudged through difficulties and problems that have beset their days and stolen their joy These same folks may not have revealed their troubles to anyone silently enduring gray hours without hope Let s face it encouragement is not a magic pill which when swallowed changes everything But I would not hesitate to give it if I thought there was the smallest chance that I could befriend could share a burden or lighten a load for another human being It is a heart attitude toward others who are fellow travelers on the road to eternity And it is a way to share Christ to those not on that road Readers need the willingness to spend time with another to be available often when very busy and to be given to the Lord s things Deanna T Favre,Shane Stanford,2010-10-01 Are you living in crisis or in Christ **Single at Heart** Bella DePaulo,2024-07-25 A TIMES BEST SELF HELP BOOK OF 2024 I nodded along in recognition grateful to read about other people like me This is an important book The Times Bella DePaulo isn t just a powerhouse she s a lighthouse We need more luminaries like her Catherine Gray author of The Unexpected Joy of Being Single All too often society issues dire warnings about the risks of single living But is finding a romantic partner really a requirement for a full life World leading expert on singleness Dr Bella DePaulo argues that a healthy happy life is possible not in spite of being single but because of it DePaulo draws on her research expertise as well as her own experience as a single woman to demonstrate how choosing to be single can provide confidence strength and deep fulfilment With advice on topics including solitude freedom intimacy children and societal pressure Single at Heart addresses misconceptions about
